0:06 **John Walsh:** “This holiday season, I want to take a moment to reflect on the tremendous effort that our students, staff, faculty, and alumni have brought to the University of Guelph-Humber this year.

As the University enters its 14th year, we’ve become more than just a place where our students excel in their studies and after graduation, more than a place where our faculty bring a passion for teaching, and more than a place where our staff are committed to providing outstanding support.

The University of Guelph-Humber has become a family, and we’re a family that’s committed to doing everything we can to help our students succeed.

For now though, it’s time to plan holiday celebrations, relax and recharge, and enjoy time spent with loved ones. From our family here at the University of Guelph-Humber, to your family at home: have a safe and happy holiday, and we’ll see you next year.”
