Transfer Online Part-Time 2027-2028

What courses do I need to complete in order to graduate?

This program plan is designed under the assumption that a student has been admitted into the program with **10.0 transfer credits** and would be expected to complete the following 10.0 credits at Guelph-Humber:

- 9.5 credits – SSWS Core Courses
- 0.5 credit – General Elective

Students who received **more than 10.0 credits** will need to review their Transfer Credit Assessment to determine their remaining requirements in this program.

May I take a SSWS course as an elective?

No. Electives are designed to give students breadth and depth in their studies.

May I take some of my courses on campus rather than online?

Potentially. You can request to take a course via a different delivery method. Contact your Academic Advisor for more information and assistance with planning and sequencing your courses.

Am I required to complete a field placement?

No. SSWS students are granted transfer credit for all field placement courses in the program.
