

Psychology

Important Information 2027–2028

What courses do I need to complete in order to graduate?

You must complete 20 credits (40 courses), including the following:

- **17.5 credits** – 35 Core Courses (including 1.5 specialization credits) • **2.5 credits** – 5 Specialization Courses

What is the Thesis Stream option?

Students can choose to complete a Thesis. This is a good option for students who wish to apply to graduate programs or wish to gain experience conducting research. In Semester 5, students would take a second statistics course (PSYC*3120 Quantification in Psychology II) in preparation for the PSYC*4210 Thesis I and PSYC*4220 Thesis II. If students opt to not take this stream, they would complete an Honours Seminar in Psychology instead (PSYC*4200). Students wishing to take Thesis I must meet the following prerequisites: 80% cumulative average, PSYC*3120 (75% min), PSYC*1110, PSYC*1120, PSYC*3130. Chair Consent is also required. The Thesis Application Form will be emailed from your Academic Advisor in late spring prior to 4th year.

How do I complete one of the specialization options? Is it required?

Students can choose to complete one of three optional specializations. Completing a specialization is not required, but you must take three specialization courses as outlined in the plan on the next pages. The specialization is earned upon completion of all courses required in the program. In order to complete one of the specialization, three courses need to be taken in a particular area: **Psychology of Business, Psychological Data Analytics, Sports Psychology**. If students do not want to earn a specialization, the three courses can be taken from any category above.

Psychology of Business	Psychological Data Analytics	Sports Psychology
AHSS*2310 – Leadership & Motivation	PSYC*3120 – Quantification in Psychology II	PSYC*2180 – Psychology of Exercise
BADM*1040 – Marketing	PSYC*3190 – Case Studies & Qualitative	PSYC*3200 – Psychology of Group Dynamics
BADM*2030 – Advertising in Business	PSYC*3230 – Research Communication & Proposal Writing	PSYC*3530 – Health Psychology
PSYC*3200 – Psychology of Group Dynamics		
PSYC*3610 – Organizational Psychology		

Students pursuing a specialization in one of these areas must complete an Area of Emphasis Declaration Form online. Specialization course options are scheduled by semester in the Program Plan below.

Can I receive more than one certificate?

No. Student can earn up to one certificate.

I am a Transfer Student. How do I know which courses I can select?

Transfer students should use this document in conjunction with their Official Transfer Credit Assessment to determine which courses they have been granted, and which courses they need to take. Transfer students should meet with their Academic Advisor to discuss the schedule they have developed in advance of the course selection dates.

Where can I go for more information?

Visit your Academic Advisor, **Jenni Mastroianni (A–K)** or **Ramon David (L–Z)** in GH108 during office hours. Call 416.798.1331 to speak with the front desk, or email your questions to advisors@guelphhumber.ca. You can also use our online booking system at <https://www.guelphhumber.ca/advising/advisors>.

For more support, visit the Learning Support Peers (LSPs) in the Learning Commons or email them at lsp@guelphhumber.ca. Visit our **Frequently Asked Questions** webpage for more information on Course Selection and Enrollment, Degree Requirements, Academic Consideration/Accommodations, Academic Standing, and Academic Resources.
