## program information & planning sheet

UNIVERSITY OF  
**GUELPH**  
**HUMBER**

What courses do I need **to complete** in order **to graduate**?

You must complete 20 credits, including the following:

▪ **17.5 credits** / 35 Core Courses (including 1.5 certificate credits) ▪ **2.5 credits** / 5 General Electives

What is the **Thesis Stream** option?

Students can choose to complete a Thesis. This is a good option for students who wish to apply to **graduate programs** or wish to **gain experience conducting research**. In Semester 5, students would take a second statistics course (PSYC\*3120 Quantification in Psychology II) in preparation for the **PSYC\*4210 Thesis I** and **PSYC\*4220 Thesis II**. If students opt to not take this stream, they would complete an Honours Seminar in Psychology instead (PSYC\*4200). Students wishing to take Thesis I must meet the following prerequisites: 80% cumulative average, PSYC\*3120 (75% min), PSYC\*1110, PSYC\*1120, PSYC\*3130. Program Head Consent is also required. Students are to submit an **Undergraduate Course Request Form** to their Advisor to request permission to take the Thesis course ([www.guelph-humber.ca/advising/forms](http://www.guelph-humber.ca/advising/forms)).

How do I complete one of the **certificate options**? Is it required?

Students can choose to complete one of **three optional certificates**. Completing a certificate is **not required**, but you must take one certificate course from each grouping, as outlined in the plan on the next pages. The certificate credential is earned upon completion of all course work in the program. In order to complete one of the certificates, three courses need to be taken in a particular area:

Intercultural Relations (IR)	Organizational Behaviour (OB)	Research Skills and Analysis (RS)
<b>AHSS*2360</b> - Judaism, Christianity & Islam	<b>AHSS*2310</b> - Leadership & Motivation	<b>PSYC*3120</b> - Quantification in Psychology II
<b>AHSS*1350</b> - Intercultural Communications	<b>PSYC*3200</b> - Psychology of Group Dynamics	<b>PSYC*3190</b> - Case Studies & Qualitative Methods
<b>AHSS*2350</b> - Immigration & Identity in Canada	<b>PSYC*3610</b> - Organizational Psychology	<b>PSYC*3230</b> - Research Communication & Proposal Writing

If students do not want to earn a certificate, the three courses can be taken across different specializations – IR, OB, or RS. Students pursuing a certificate in one of these areas must complete and submit a **Declaration of Area of Emphasis Form** online. Certificate course options are scheduled by semester in the Program Plan below.

Can I receive **more than one certificate**?

No. Students can earn up to one certificate.

I am a **Transfer Student**. How do I know which courses I can select?

Transfer students should use this document in conjunction with their **Official Transfer Credit Assessment** to determine which courses they have been granted, and which courses they need to take. Transfer students should meet with their Academic Advisor to discuss the schedule they have developed in advance of the course selection dates.

Where can I go for **more information**?

Visit your Academic Advisor, **Jenni Mastroianni (A-K)** or **Nasreene Corpuz Kasznia (L-Z)** in GH108 during office hours.
