

# GO YOUR OWN WAY

VIEWBOOK 2026

UNIVERSITY OF  
**GUELPH**  

---

**HUMBER**

TORONTO, ON

## We acknowledge

The University of Guelph-Humber and Humber Polytechnic are located within the traditional and treaty lands of the Mississaugas of the Credit. Known as Adoobiigok, the "Place of the Alders" in the Michi Saagiig language, the region is uniquely situated along the Humber River Watershed, which historically provided an integral connection for Anishinaabe, Haudenosaunee, and Wendat peoples between the Ontario lakeshore and the Lake Simcoe/ Georgian Bay regions. Now home to people of numerous nations, Adoobiigok continues to provide a vital source of interconnection for all.

# The Right Choice

## Education that opens doors

Established in 2002, the University of Guelph-Humber is a collaboration between the University of Guelph and Humber Polytechnic (Humber). You earn an honours degree from the University of Guelph and a diploma from Humber concurrently.

We offer you academic excellence from professors who are industry professionals, accessible scholarships and a supportive learning community. We take your success personally.

At Guelph-Humber, discover who you are and what you want to become. No matter the path, you can go your own way.

**46**

Average  
class size

bursaries  
annually

## Study in Toronto

The U of GH campus is in northwest Toronto. Canada's largest, most diverse city and the country's biggest job market is on your doorstep.

## Work experience

Every honours degree program includes workplace experience to ensure you graduate with the know-how to excel in your field. You deserve it!

## Supportive community

You'll get support tailored to your academic and personal needs. Our small class sizes give you access to your professors, and our supportive community means staff are invested in your success.

**Be at the crossroads of  
communities – Toronto,  
Brampton, Peel and Vaughan**

# Toronto

**Explore  
opportunities  
in Canada's  
largest city**

# Work Experience You deserve it!

A young woman with blonde hair, wearing a blue Adidas t-shirt and black pants, stands with her arms crossed in front of an Adidas store window. The window features the Adidas logo and the text "WE MAKE ATHL BETTER".

**ELYSE M.**  
Placement  
with Adidas

A young woman with long dark hair, wearing a grey plaid blazer over a black top, stands in front of a SickKids banner. She is wearing a colorful lanyard with the SickKids logo.

**NABA S.**  
Placement  
with SickKids

A young woman with long blonde hair and glasses, wearing a dark blue blazer over a black turtleneck, sits at a desk with a laptop. Behind her is a Universal Music Canada banner.

**MICHELLE V.**  
Placement with  
Universal Music  
Canada

**KAILEY M.**  
Placement with  
Chelsea Hotel

Benefit from the strong employer relationships we've built in the Greater Toronto Area.

Work experience can be paid or unpaid, depending on the program, industry or partner.

- **Build your resumé** and professional skills
- **Explore opportunities** in your field
- **Make decisions** that benefit your future

Working with Guelph-Humber students has been a game changer. They bring fresh perspectives and enthusiasm that invigorates our team. Students develop essential skills in clinic operations and gain valuable experience shadowing healthcare professionals. Their contributions have significantly enhanced our services and positively impacted our clients' experiences. We highly recommend placements like ours for students seeking practical experience, mentorship and a chance to make a real difference in the field.

with Corus

# Business Administration

## Future options include:

- Financial Advisor (CFA)
- Accountant (CPA)
- Human Resources Consultant (CHRP)
- Business Consultant
- Logistics Coordinator
- Marketing Coordinator
- Operations Manager
- Project Manager (PMP)
- Social Media Strategist
- Brand Manager
- Event Manager
- Business Analyst
- Business Developer

## Graduate school and further education

- Master of Business Administration
- Master of Finance
- Master of Marketing
- Master in Project Management
- Master of Science in Management
- Bachelor of Education (Teachers College)
- Law School
- Graduate Diploma in Accounting

Note: Some careers and entry into further education may require additional study.

**Business is everybody's business. Learn to move nimbly and confidently in a world where your ideas shape the products, services and vital relationships that lift communities. With everything from inspiring teaching, collaborative case study learning and industry networking, you'll forge deep relationships. Prepare your entrepreneurial spirit to dream big—you're ready to launch.**

**Go boldly in the confidence of your ideas.**

## Learn

- Principles of business organization and operations
- Marketing tactics
- Funding strategies and finances
- Leadership
- Business ethics
- Collaboration
- Communications

## Specializations

Start with the fundamentals of business, and then focus your studies through one of seven specializations:

- Accounting
- Finance
- Human Resources
- International Business
- Management
- Marketing
- Small Business Management and Entrepreneurship

Choose not to specialize to have your degree cover a broader range of business perspectives.

## Honours Bachelor of Business Administration

from the University of Guelph

## Diploma in Business Administration

from Humber Polytechnic

# 664

hours of hands-on learning

Award-winning students in international case competitions

## Work experience

Complete your degree requirement for work experience in a field placement or co-op.

### Placement

Choose placement to complete 100 to 520 hours of hands-on work experience and graduate in four years. Placement is integrated into your semesters of coursework. Past placements include:

- BMO Financial Group
- CIBC Wealth Management
- City of Toronto
- Coca-Cola
- IBM
- Maple Leaf Sports & Entertainment
- Oracle NetSuite
- TD Canada Trust
- Universal Music Group

### Co-op

Apply to co-op in your first year. Co-op and in-course semesters are separate because work terms are paid full-time hours. Graduate in five years of study. The first work term will take place in the summer of second year, or in third year for accounting students.

## Explore your courses

Popular course: **Business Analytics**

- Business Law
- Financial Accounting
- Human Resources Management
- Negotiation in Business
- Social Media Marketing
- Personal Financial Planning

Full course list available online.

“ “ “

Guelph-Humber's small class sizes allowed me to create meaningful relationships with my peers and professors whose support pushed me to grow—whether it was competing in case competitions or taking on executive leadership roles on campus.

” ” ”

**Alisha S., CPA, graduated 2017**

Currently a Supervisor with the Office of the Auditor General of Ontario, Alisha began her career with Deloitte LLP in their Audit & Assurance practice. She has a Graduate Diploma in Professional Accountancy, McMaster University and a Master of Management Analytics, Queen's University.

# Early Childhood Studies

## Future options include:

- Play Therapist
- Early Interventionist
- Occupational Therapist
- Resource Consultant
- Behaviour Therapist
- Registered Early Childhood Educator
- Early Learning & Care Supervisor/  
Director/Owner
- Child & Family Therapist
- Children's Lawyer
- Research & Policy Analyst
- Advocacy Specialist
- Consultant
- Child Protection Specialist

## Graduate school and further education

- Bachelor of Education (Teachers College)
- Master of Science in  
Speech-Language Pathology
- Master of Arts in Child Study & Education
- Master of Science in Child Life  
& Pediatric Psychosocial Care
- Master of Social Work
- Bachelor of Nursing
- Master of Arts in Immigration  
& Settlement Studies
- Master of Library & Information Science

Note: Some careers and entry into further education may require additional study.

**Early childhood is the critical beginning of life's great potential. So, devoting your energy to the early development of the whole child means your impactful work will resonate for decades to come. Create connection and love that support the child, strengthen the family, build the community and define a nation.**

## Go be the start of something big.

### Learn

- The full journey of a child's development, from before birth through the pivotal early years
- How environments and relationships influence growth and well-being
- To create inclusive spaces of belonging and to support mental health
- How to integrate safe technology into play

### Explore

- Digital tools and AI to enhance equity, access and innovation in early childhood settings
- Advocating for children's rights in conversations that shape their future

Your applied hands-on experience, grounded in meaningful theory, will set you apart—opening doors to diverse careers in early childhood and beyond.

### Specializations

You have the option to specialize in one of three areas:

- Children's Futures (first in the world to offer this specialty)
- Infant & Child Mental Health
- Pathway to Child Life

## Honours Bachelor of Applied Science in Early Childhood Studies

from the University of Guelph

## Diploma in Early Childhood Education

from Humber Polytechnic

**800+**  
hours  
of work  
experience

## Work experience

Gain workplace experience each year and graduate with as many as **800+ hours** of work experience. Past placements include:

- Children's mental health centres
- Children's advocacy
- Community-based family organizations
- Early intervention and prevention programs
- Inclusive early learning and care centres
- Hospital child life units
- Primary school classrooms
- Therapeutic environments

Note: You will be required to complete a Vulnerable Sector Screening, documentation of immunization and a First Aid/CPR certificate prior to placement.

## Explore your courses

Popular course: **Mental Health & Trauma**

- Infant & Toddler Development
- Children with Exceptionalities
- The Science of Play
- Assessment & Intervention
- Supporting Children's Voices
- Advocacy & Leadership

Full course list available online.

The supportive environment in this program fosters academic growth, lifelong friendships and professional networks. The amazing staff and professors genuinely care about their students, providing not just education, but also mentorship and guidance to help them thrive in all aspects of their lives.

**Matthew G.**, graduated 2024  
Now at Teachers College (Ontario Tech University)  
focusing on Primary-Junior level.

## Future options include:

- Lawyer
- Court Reporter
- Police Officer
- Bylaw Enforcement Officer
- Parole/Probation Officer
- Border Services Officer
- Forensic Investigator
- Victim Services Worker
- Crime & Intelligence Analyst
- Anti-money Laundering Investigator
- Corporate Security Manager
- Fraud Analyst
- Corporate Investigator
- Certified Protection Professional

## Graduate school and further education

- Law School (local/international)
- Bachelor of Education (Teachers College)
- Master of Public Administration
- Master of Arts in Political Science
- Master of Arts in Social Justice
- Master of Arts in Criminology & Criminal Justice Policy
- Master of Disaster & Emergency Management
- Graduate Certificate in Alternative Dispute Resolution
- Graduate Certificate in Insurance Management – Property & Casualty
- Graduate Certificate in Advanced Investigations & Enforcement

Note: Some careers and entry into further education may require additional study.

**Channel your passion to help others and build the kind of communities that inspire us all. Deepen your sense of duty with learning broad enough to see justice in a holistic way and focused enough to have you prepared to make an immediate difference. Become the collaborative, critical thinker ready to put your ethical commitment to your community to great use.**

## Go purposefully in the pursuit of justice.

- Learn about the Canadian justice system
- Understand social justice issues and discover how to support communities through inclusive programs and restorative approaches to crime prevention
- Study diversity, inclusion and equity; mental health and first aid; and globalization
- Discover how services such as counselling, forensics and policing support and strengthen communities

## Be career ready

Get the preparation needed for law school, locally or abroad. Hone your oral advocacy and legal argumentation skills through moot court.

Prepare for work in police services, border services and other law enforcement. Evaluate staged crime scenes in our crime scene investigation (CSI) room while learning investigative techniques and evidence handling.

Our student-led extracurriculars offer outstanding hands-on experience. They include the Pre-law Society, Alpha Phi Sigma, moot case competitions and CSI teams.

## Honours Bachelor of Applied Science in Justice Studies

from the University of Guelph

## Diploma in Community & Justice Services or Police Foundations

from Humber Polytechnic

# 200

hours of work experience

Award-winning students in international mooting competitions

## Work experience

Complete **100 hours** of workplace experience in second year and **100 hours** in third year. Past placements include:

- Various police services
- Law offices
- Ministry of the Attorney General
- St. Joseph's Healthcare Hamilton, Forensic Psychiatry Program
- Private investigation/security companies
- Canada Border Services Agency
- Toronto South Detention Centre/Ontario Ministry of the Solicitor General
- Elizabeth Fry Society
- Public Safety Canada
- Toronto Court Services
- Ministry of Children, Community & Social Services
- Special Investigations Unit

Note: You may be required to complete a Vulnerable Sector Screening and/or Criminal Reference Check prior to placement.

## Explore your courses

Popular course: **Investigative Techniques**

- Crime & Criminal Justice
- Forensic Techniques
- Conflict Resolution
- Youth & the Law
- Ethics & the Justice System
- Addictions & Mental Health

Full course list available online.

**My favourite class was the Senior Seminar. I focused on different aspects of victimology throughout the semester and engaged in research, discussion and critical analyses. I gained insight and applied my knowledge through presentations, readings, examinations and research papers.**

**Ruth O., graduated 2024**

Currently pursuing her Master of Arts in Criminal Justice & Public Policy at the University of Guelph while also working with Kissoon Law as a Legal Assistant and as a Graduate Teaching Assistant at the University of Guelph.

## Future options include:

### Professional designations

- Registered Kinesiologist
- Certified Strength & Conditioning Specialist
- Clinical Exercise Physiologist
- Certified Personal Trainer
- Certified Pedorthist
- Certified Athletic Therapist

### Additional opportunities

- Occupational Health & Wellness Advisor
- Rehabilitation Therapist
- Researcher
- Fitness Consultant
- Ergonomic Specialist
- Human Resources Specialist

### Graduate school and further education

- Master of Science in Physical Therapy/Physiotherapy
- Master of Science in Occupational Therapy
- Bachelor of Education (Teachers College)
- Bachelor of Nursing
- Master of Public Health
- Master of Arts in Health Promotion
- Chiropractic College
- Naturopathic College
- School of Dentistry
- Medical School

**Pursue registration with the College of Kinesiologists of Ontario after graduation.**

Note: Some careers and entry into further education may require additional study.

**Human health—ever moving and evolving—needs your competitive drive. After all, nothing could be more vital than helping people make their lives better. Here, change-making confidence is developed in state-of-the-art technical facilities, alongside professors still active thought leaders in their fields. Exactly the competitive advantage you want.**

## Go in search of human potential.

Build a scientific foundation that can lead to work with:

- Healthy populations
- Elite athletes
- Individuals with chronic diseases
- People with physical challenges

### Partner theory with practice

- Learn about the human body structure and function, performance, clinical applications of exercise and nutrition theory, and health and fitness assessment
- Study health, injuries and illness
- Couple lectures with labs, where you put theory into practice
- Use state-of-the-art lab equipment, e.g., 3D motion capture system and body fat analysis (Bod Pod)

**Learn anatomy in a human cadaver lab in your first year.**

## Honours Bachelor of Applied Science in Kinesiology

from the University of Guelph

## Diploma in Fitness & Health Promotion

from Humber Polytechnic

# 1,000+

hours of hands-on learning

# 25

students or less per lab

# 2+

anatomy courses

## Work experience

Complete **88 hours** of work placement in third year. And you have the option to gain another **154 hours** of experience at a second placement in fourth year. Past placements include:

- Athletic and varsity programs
- Cardiac rehabilitation facilities
- Corporate wellness departments
- Multidisciplinary clinics (e.g., UHN & CBI)
- NeuroChangers Neurological Rehabilitation
- Clinical hospital settings
- SickKids
- Various school boards
- Wellspring (Cancer Support Network)
- YMCA

Note: You will be required to complete a First Aid/CPR certificate and may be required to complete a Vulnerable Sector Screening and documentation of immunization prior to placement.

## Explore your courses

93% of your courses are kinesiology focused.

Popular course: **Human Anatomy**

- Health Counselling & Behaviour Change
- Fundamentals of Nutrition
- Biomechanics
- Exercise Physiology
- Injuries & Exercise Contraindications
- Digitizing Health & Society

Full course list available online.

**I always had the aspiration to work in pro sports... but trying to figure out that path is always tricky. Internships, opportunities [offered by GH], networking and being really confident in my skillset as I graduated gave me a great kickoff point to know what I wanted to do and start doing it.**

**Malik C.,** RKin, graduated 2017

As the Assistant Strength Coach with the Toronto Marlies, Malik works with individuals on speed, strength and power. If a player gets injured, he assists with their rehabilitation. He is completing a Professional Doctorate in Human Performance & Innovation at the University of Limerick.

# Media & Communication Studies

## Future options include:

- Campaign Strategist
- Brand Manager
- Communications Coordinator
- Content Creator
- Print/Web/Video Editor
- Photographer
- Videographer
- Account Director
- Podcaster
- Market Researcher
- Graphic Designer
- Communications Consultant
- Social Media Analyst
- Entrepreneur
- Communications & External Relations Director
- Crisis Communications Manager

## Graduate school and further education

- Master of Arts in Communications
- Master of Journalism
- Master of Arts in Media Production
- Bachelor of Education (Teachers College)
- Law School
- Master of Marketing
- Master of Business Administration
- Master of Digital Media

Note: Some careers and entry into further education may require additional study.

**You have a knack for connecting to the world around you. You're boundlessly curious and passionate about media and long to dig deeper—into how it's made and what makes it powerful. Yes, the media landscape is changing constantly, and your sense of urgency and big-picture thinking are up to the challenge. Innovative courses will sharpen your skills and give you experience that will empower you to seize and shape the world.**

## Go confidently into your future.

Every organization today needs multiskilled media and communication gurus. That's where you come in.

Become proficient in content creation and strategy. You'll work with organizations and community partners on cutting-edge projects, culminating in your fourth-year project, Emerge.

Through Emerge, students have partnered with:

- Sunshine Therapy Dogs
- Humber River Health Foundation
- Earth Rangers
- Youth Employment Services

## Specializations

You can choose to focus on one of three specializations:

- Digital Marketing & Social Media
- Media Business & Management
- Visual Communication

You also have the option not to specialize and pursue a broader path of study.

## Honours Bachelor of Applied Arts in Media & Communication Studies

from the University of Guelph

## Diploma in Media Communications

from Humber Polytechnic

**240**  
hours  
of work  
experience

Award-winning  
students in  
international  
competitions

## Work experience

Complete **240 hours** of workplace experience. Past placements include:

- Bell Canada
- Canadian Tire Corporation
- CBC
- Corus Entertainment
- IMAX
- Maple Leaf Sports & Entertainment
- National Ballet of Canada
- Pinch Social
- SickKids
- Special Olympics Ontario
- Universal Music Canada
- Walt Disney Studios Canada
- Yahoo Sports

## Explore your courses

Popular course: **Social Media Strategies**

- Journalism & Digital Storytelling
- Marketing & Public Relations
- Crisis Communication & Reputation Management
- Audio Storytelling
- Digital Graphic Design
- Art Direction & Production Design

Full course list available online.

## Research

You may choose to complete and present an undergraduate thesis (after year three) to apply research principles, build your presentation skills and prepare for graduate studies.

**Almost everything I learned in my specialization applies to what I do now! I was able to land a job in my field almost right after graduating, and a big part of that was having a portfolio full of projects I worked on during my classes. It made a big difference when applying for jobs.**

**Larissa R.**, graduated 2024

Larissa was a Digital Marketing Specialist for Scale Selling and is now a Project Manager at Dentsu.

## Future options include:

- Behaviour Therapist
- Case Manager
- Group Facilitator
- Human Resources Specialist
- Mental Health Worker
- Neuroscientist
- Psychologist
- Psychometrist
- Psychotherapist
- Rehabilitation Counsellor
- Research Analyst

## Graduate school and further education

- Master of Science in Psychology
- Master of Arts in Psychology
- PhD in Psychology
- Medical School
- Master of Social Work
- Master of Education
- Bachelor of Education (Teachers College)
- Law School
- Master of Arts in Counselling Psychology
- Master of Science in Forensic Psychology
- Master of Arts in Clinical Psychology
- Master of Science in Neuroscience

Note: Some careers and entry into further education may require additional study.

**You have always had an instinct to help people. Now it's time to turn that passion into something even bigger—by exploring how the mind works and how human behaviour shapes the world. By combining science, empathy and your drive to make a difference, you can create real change.**

**Go help make humanity better.**

## Examine

- Theories and research exploring human thought, feeling and behaviour
- Processes and factors that shape who we become through the study of cognition, emotion and mental health
- Technology's application in psychology, e.g., electroencephalography (EEG—in photo above) and galvanic skin response (GSR) readers

A minimum of 70% of your core courses are psychology courses; they expose you to the breadth of psychology.

## Specializations

You may choose to specialize in one of three areas:

- Psychology of Business
- Psychological Data Analytics
- Sports Psychology

## Honours Bachelor of Applied Science in Psychology

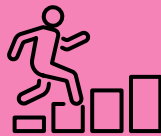

from the University of Guelph

## Diploma in General Arts & Science

from Humber Polytechnic

**100**  
hours of work  
experience

Present research  
at the Annual  
U of G  
Psychology  
Conference

**2**  
psychotherapy  
courses

## Work experience

Complete a minimum of **100 hours** of workplace experience. Past placements include:

- Addiction Rehab Toronto
- Alzheimer Society of Toronto
- Hamilton Health Sciences (Hospital)
- Family Psychology Centre
- Canadian Psychological Association
- Certified Listeners Society
- Holland Bloorview Kids Rehabilitation Hospital
- Compass Community Services
- Ontario Correctional Institute
- Rexdale Women's Centre

Note: You may be required to complete a Vulnerable Sector Screening prior to placement.

## Explore your courses

Popular course: **Theories of Psychotherapy**

- Indigenous Mental Health
- Applied Memory & Learning
- Personality
- Drugs & Behaviour
- Psychology & Gender
- Cross-Cultural Psychology

Full course list available online.

## Research

Get a solid start in research, which can be an advantage in graduate school. Take the fourth-year thesis courses to complete undergraduate research with a ton of staff support to show you the ropes. Placement + Thesis = Graduate School Ready

I came to the University to get some experience in psychology before I graduated...to help guide me as I learned more about myself and the field. My placement at CAMH honed my research skills for my fourth-year thesis. I used the transferable skills from that in my graduate school program and as a result had a hand in valuable child-centred research.

**Suneil B.**, graduated 2022

Learning Officer at the Public Health Agency of Canada. He has a Master of Arts in Child Study & Education, OISE, University of Toronto.

# Social Services & Well-Being Studies

## Future options include:

- Social Services Professional
- Addictions Coordinator
- Community Engagement Specialist
- Crisis Counsellor
- Professional Mediator
- Family Support Coordinator
- Grief & Bereavement Counsellor
- Intensive Behaviour Therapist
- Mental Health Worker
- Parole Officer
- Program Manager
- Policy Analyst
- Researcher
- Residential Youth Worker
- Social Worker

## Graduate school and further education

- Bachelor/Master of Social Work
- Bachelor/Master of Education
- Master of Arts in Public Policy & Administration
- Master of Arts in Critical Disability Studies
- Master of Psychotherapy
- Master of Teaching
- Law School
- Master of Education in Counselling Psychology
- Post graduate certificates in:
  - Mental Health & Addiction
  - Research Analyst

Note: Some careers and entry into further education may require additional study.

**You are motivated by the care and empathy you have for others. Here, you'll grow that compassion and sense of advocacy—expanding your impact from supporting individuals to influencing broader social and political change. So, take this bold step toward building a better world.**

## Go be a change maker.

Explore current social issues and understand the challenges faced by vulnerable populations so you can learn how to deliver impactful services, such as holistic intervention strategies, counselling and policy initiatives, and engage in community practice.

Build strong clinical skills that exceed the industry standard for undergraduate education. Learn basic communication competencies to more in-depth therapeutic interventions while gaining transferable skills needed to enhance individual and societal well-being.

## Specializations

You may choose to focus on one of two specializations:

- Mental Health Practice
- Youth & Families

## Honours Bachelor of Applied Science in Social Services & Well-Being Studies

from the University of Guelph

## Social Service Worker diploma

from Humber Polytechnic

**750**  
hours  
of work  
experience

## Work experience

Complete **750 hours** of work experience through year-long placements in your third and fourth years. Past placements include:

- Addiction centres
- Children's mental health centres
- Crisis counselling centres
- Employment centres
- School settings
- Youth drop-in centres
- Settlement agencies
- Correctional facilities

Note: You will be required to complete a Vulnerable Sector Screening, and you may also be required to have a First Aid/CPR certificate and/or documentation of immunization prior to placement.

## Explore your courses

- Issues & Advocacy in Social Justice
- Field Preparation & Professional Readiness
- Media, Mental Health & Digital Advocacy
- Spirituality & Religion in Professional Practice
- Counselling: Advanced Practice
- Crisis Intervention: Theory & Practice

Full course list available online.

## Additional certifications

Complete your Mental Health First Aid Certification with the Mental Health Commission of Canada as part of the Field Preparation & Professional Readiness course in your second year.

and

Participate in your choice of trainings and workshops to receive a certificate in professional practice skills—an additional 50+ hours of experiential learning!

**My time here was one of the most transformative experiences I've ever had. I really felt that sense of community. I got to walk away with so much knowledge... relationships... experiences, that I've been able to translate to my life and the work that I do.**

**Stefan T., graduated 2021**

An international youth motivational speaker, children's book author (*Keep Riding the Wave*) and student success expert. As the founder of Success Waves, he also travels to schools and conferences, helping students navigate barriers to achieving academic success and career clarity. He has a Master of Education in Higher Education, OISE, University of Toronto. He also delivered a TEDx Talk at TEDxQueensU in January 2025.

# More Opportunity

Expand your world of study.

## Research as an undergraduate

Get to know the many research opportunities inside and outside of class. Conduct research as a Research Assistant with instructors funded by the University's Research Grant Fund.

- Apply classroom knowledge
- Develop research skills such as data collection, analysis and project management
- Contribute to research publications

## Competitions and conferences

Make an impact and gain hands-on experience through competitions and attending conferences in your area of study. Being involved gets you out in the field, networking, using your skills, honing your talents and earning recognition.

## Study abroad

Travel outside Canada and earn credit through instructor-guided study tours. Because all Study Abroad courses are partially subsidized by the University, opportunities are within reach. You may also be eligible for a U of GH travel grant.

## After graduation

Take advantage of our partnerships for further education:

- Doctor of Chiropractic with the Northeast College of Health Sciences (Seneca Falls, New York, USA)
- LLB with City St George's, University of London (London, England)
- LLM with University of London, distance learning (London, England)
- MBA or MSc in Management with the University of Guelph (Guelph, Ontario)
- MSc in Management/Consultancy/Sustainability/Entrepreneurship with Manchester Metropolitan University (Manchester, England)

# Careers Start Here

Launch your career right away at U of GH.

We are here to provide one-on-one advising to help you:

- Build confidence
- Clarify your goals
- Develop professional skills
- Find your placement
- Search for jobs and network
- Advise on post-graduate planning

## Be career ready

Take advantage of hands-on:

- Career fairs with employers looking to hire
- Resumé and interview workshops
- Graduate school application workshops
- LinkedIn sessions
- CliftonStrengths
- Alumni mentorship

“ “ “

**[U of GH placement] students showed great professionalism and compassion when working for our organization. From day one they showed respect and initiative, and were such a pleasure to mentor.**

” ” ”

**Creating Alternatives,**  
work placement employer

## Work on campus

There are hundreds of jobs on campus, from athletics to office admin. Program-specific jobs include Crime Scene Forensic Assistant, ECS Resource Centre Coordinator and Kinesiology Lab Technician Assistant.

Work around your class schedule to earn money, valuable experience and network.

# Your Support Team

**U of GH has a unique, supportive community.  
Talk to us. Visit. And you'll understand.**

Your small classes will have a huge impact on learning.

- Your classmates will know you
- You'll move through each year with the same group of students
- You'll know your professors, and they'll know you

We are dedicated to fostering an inclusive environment. Take advantage of all student services to support your growth and enjoyment of your time with U of GH, be it related to physical, medical or mental health, personal matters, academic assistance or finding a place to belong.

## **First Year Experience (FYE) program**

Start off your transition to university in June with a group of first-year students in your program. Your FYE Leader (a senior student) will be your mentor through your first year.

Participate in programs and events, such as Orientation, designed for you to meet people and get acquainted with everything U of GH.

## **Easy access to assistance**

We are a caring and connected community. Our small population means we are a step/email/phone call away. We're here to help with:

- Transitioning to university life
- Financial advice
- Course selection/program requirements
- Academic planning/scheduling
- Health and wellness

# Take Care

Surround yourself with people who know you.

## Mental health matters

You will have access to free, private and confidential counselling services led by professional clinicians. You'll be supported as you explore challenges affecting your well-being and mental health. Your counselling team works closely with other support services on campus.

### Academic

- Academic Advisors
- Field Placement Coordinators
- Career Services Coordinators
- Financial Services
- Program Chairs
- Accessibility Services
- Math Centre
- Writing Centre
- Alumni Mentorship
- Liaison Librarians

### Diversity

- LGBTQ+ Resource Centre
- Black Student Support & Engagement
- Indigenous Education & Engagement
- Spirituality & Wellness Rooms
- International Centre

### Well-being

- Counselling
- Health Services
- Arboretum
- Personal Care Services

### Student to Student

- First Year Experience Leaders
- Peer Tutoring
- Career Support Peers
- Learning Support Peers
- Student Ambassadors
- Student Services Support Peers
- Computer Support

# Campus Life

Whatever your passion, use it to get involved.

## Societies, clubs, student government

Go beyond your classes. Participate in activities that inspire you and build your résumé. Become a member of a club, take a leadership role in a society or join student government.

Meet people who share your passions. Whether your intention is to kick back and have fun or to take a more serious interest, doing things outside of class is a win-win.

## Commuting

Need options for travelling to campus? You can cross the city with Brampton, GO, MiWay, TTC and York Region public transit to get to class. Paid parking is also available.

# Residence

Live minutes away from class.

Join others like yourself moving to attend university. Residence is home to roughly 1,000 students (from Humber and Guelph-Humber) in three buildings bordering the Humber River. (You might see a deer in your back window.)

## On-campus living includes:

- A single room (with shared bathrooms) for first-time residents
- A two-minute walk to class and campus resources
- All-gender or gender-specific floors
- Tax-free dining plans (required)
- Two community kitchens
- Wi-Fi in all rooms
- Exercise room
- Recreational space
- Dining hall
- Free laundry
- Transit terminal at your door
- 24-hour front desk and security

## Applying to residence

You can apply for residence only once you have an offer of admission. You apply online through Humber's residence web page.

Spaces are allocated on a first-come, first-served basis until filled or until **June 1, 2026**, whichever comes first.

Residence applications for fall open online in early **February 2026**. The deadline to apply is **June 1, 2026**. For more residence information, visit [humber.ca/residence](https://humber.ca/residence) and look for Guelph-Humber applicant information.

Discover **new friends**, **new experiences** and make **lifelong memories**.

[humber.ca/residence](https://humber.ca/residence)

# Varsity Sports

Compete with the best.

Compete against other universities or colleges. You can try out for the Humber Hawks (on campus) or the University of Guelph Gryphons (in Guelph).

## Athletic Centre

Head to the Athletic Centre for facilities including:

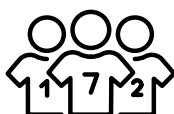

- Aerobic studio
- Gymnasiums
- Multipurpose sports fields
- Pool
- Weight and cardio room

Participate in your favourite activities or try something new.

Programs include:

- Fitness classes
- Extramural teams
- Intramural leagues and tournaments
- Drop-In and Learn-to-Play sports

Enjoy adaptive and inclusive recreation:

- Audible Indoor Soccer/Goalball
- Floor Curling
- Sitting Volleyball
- Wheelchair Sport/Boccia

## Nature on campus

The Humber Arboretum is a conservation area and educational centre, right on campus. Explore the West Humber River, from woodlands to wetlands, and spot wildlife on the trails or enjoy themed gardens. It's an outdoor oasis minutes away!

“ “ “

**I enjoyed playing extramural Ultimate because it allowed me to get involved outside of the classroom. I've met a lot of incredible people and made friendships that I will cherish for the rest of my life!**

**Mishaal S.,**  
Business Administration  
graduate

” ” ”

# Active Living

**Take a break from studies and get active.**

Whether it's a tough game against another team, a fun swim in the pool or a quiet walk in the Arboretum, we've got something for everyone.

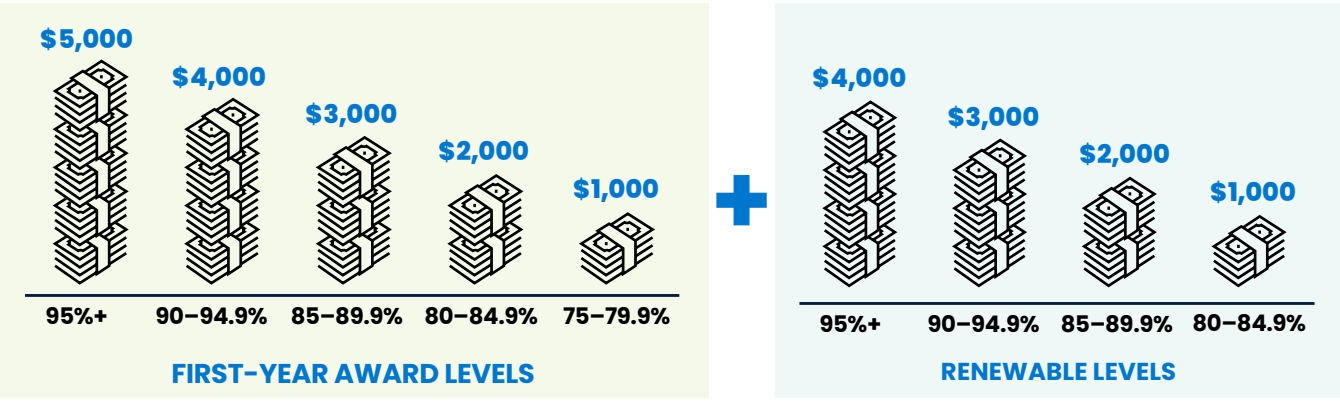

# Scholarships & Bursaries

Reduce your education expenses with support from U of GH.

## Canadian Applicants

### Up to \$17,000 Renewable Entrance Scholarship

Receive money towards your tuition. No application required.

Your first year of the scholarship (\$1,000 to \$5,000) awarded at the point of admission is guaranteed (if offer conditions are met) and will be assessed for an increased amount based on final grades. Renewable award levels are based on your grade average from the year prior.

Amount	Name	Highlights	Application Required?
<b>\$36,000</b> • Renewable	<b>Founders' Academic Merit Scholarship</b>	<ul style="list-style-type: none"><li>• \$9,000 each year</li><li>• Must have minimum 90% admission average</li><li>• Must demonstrate superior leadership</li></ul>	Yes, apply by Jan 25, 2026
<b>\$20,000</b> • Renewable	<b>Vice-Provost Entrance Scholarship</b>	<ul style="list-style-type: none"><li>• \$5,000 each year</li><li>• Student with the highest final admission average for the respective program</li></ul>	No

International Applicants

Receive money towards your tuition. No scholarship application required.

Amount	Name	Highlights
Up to \$20,500 • Renewable	International Student Entrance Scholarship	<ul style="list-style-type: none"><li>• Admission average of 75%+</li><li>• First-year award ranges from \$4,500 to \$8,500*</li><li>• Eligible to receive \$4,000 for up to three renewal years</li></ul>
\$2,000	International Academic Achievement Entrance Scholarship	<ul style="list-style-type: none"><li>• Successful completion of an IB diploma or GCSE with a minimum of two A-levels</li></ul>
\$1,000	University of Guelph-Humber Study in Canada Scholarship	<ul style="list-style-type: none"><li>• Admission average of 75%+</li></ul>

\*Your first year of the scholarship awarded at the point of admission is guaranteed (if offer conditions are met) and will be assessed for an increased amount based on final grades.

How to find additional funding

- Research government programs, such as the Ontario Student Assistance Program ([ontario.ca/osap](http://ontario.ca/osap))
- Look into scholarships offered by employers of your family and friends
- Search online for websites that promote scholarships for postsecondary education based on a range of factors (not only academics)

In-course awards

Check online at [guelphhumber.ca](http://guelphhumber.ca) to see our full range of awards.

For a student population of 4,500, we allocate up to \$5.6 million annually for scholarships, awards and bursaries!

# Tuition, Fees & Other Costs

University is an investment in your future. Knowing the costs can help you plan ahead and meet your goals.

## Ontario tuition and fees

Item	Tuition/ Semester	Student Fees/ Semester	Total Academic Year
Business Administration	\$4,255	\$680	\$9,871
All other programs	\$3,045	\$680	\$7,451

## Out of province tuition and fees

Item	Tuition/ Semester	Student Fees/ Semester	Total Academic Year
Business Administration	\$5,172	\$680	\$11,705
All other programs	\$3,702	\$680	\$8,764

## International tuition and fees

Item	Tuition/ Semester	Student Fees/ Semester	International Health Insurance	Total Academic Year
Business Administration	\$18,290	\$680	\$418	\$38,358
All other programs	\$15,917	\$680	\$418	\$33,611

Note: International tuition and fees are listed in Canadian dollars.

Visit our web page for more information including a complete list of fees, and your eligibility and definitions for each type of tuition.

## Payment timeline

To help you spread the cost of tuition over the year, tuition is paid by semester.

All values are estimates based on 2025-26 rates and therefore subject to change. Other fees/costs may apply. Living and other expenses are based on a full academic year.

## Living expenses

### Residence

Single-style room: \$8,235  
Tenant insurance included.

### Dining Plans

Plan	Cost
Hybrid	\$2,850
Basic	\$3,400
Standard	\$4,000
Ultimate	\$4,600

## Other expenses

Everyone's needs vary. Below is a list of estimated costs for education-related expenses. Use those that apply to you to help estimate your financial needs.

### Textbooks

Estimate \$1,300

### Public Transit

Costs vary.  
Estimate \$564 to \$1,575  
for travel Sept to April.

### Parking Permit

\$578

# How to Apply

## 1 Select your program

Choose one or more programs of interest. Check the admission requirements, including required courses and admission average based on your applicant type (refer to pages 34 to 37).

## 2 Apply

Submit your application through the Ontario Universities' Application Centre (OUAC) website, **ouac.on.ca**. You will be considered for all programs you apply to.

Application deadline to be considered in all rounds of offers: **Jan 15, 2026**

## 3 What's next?

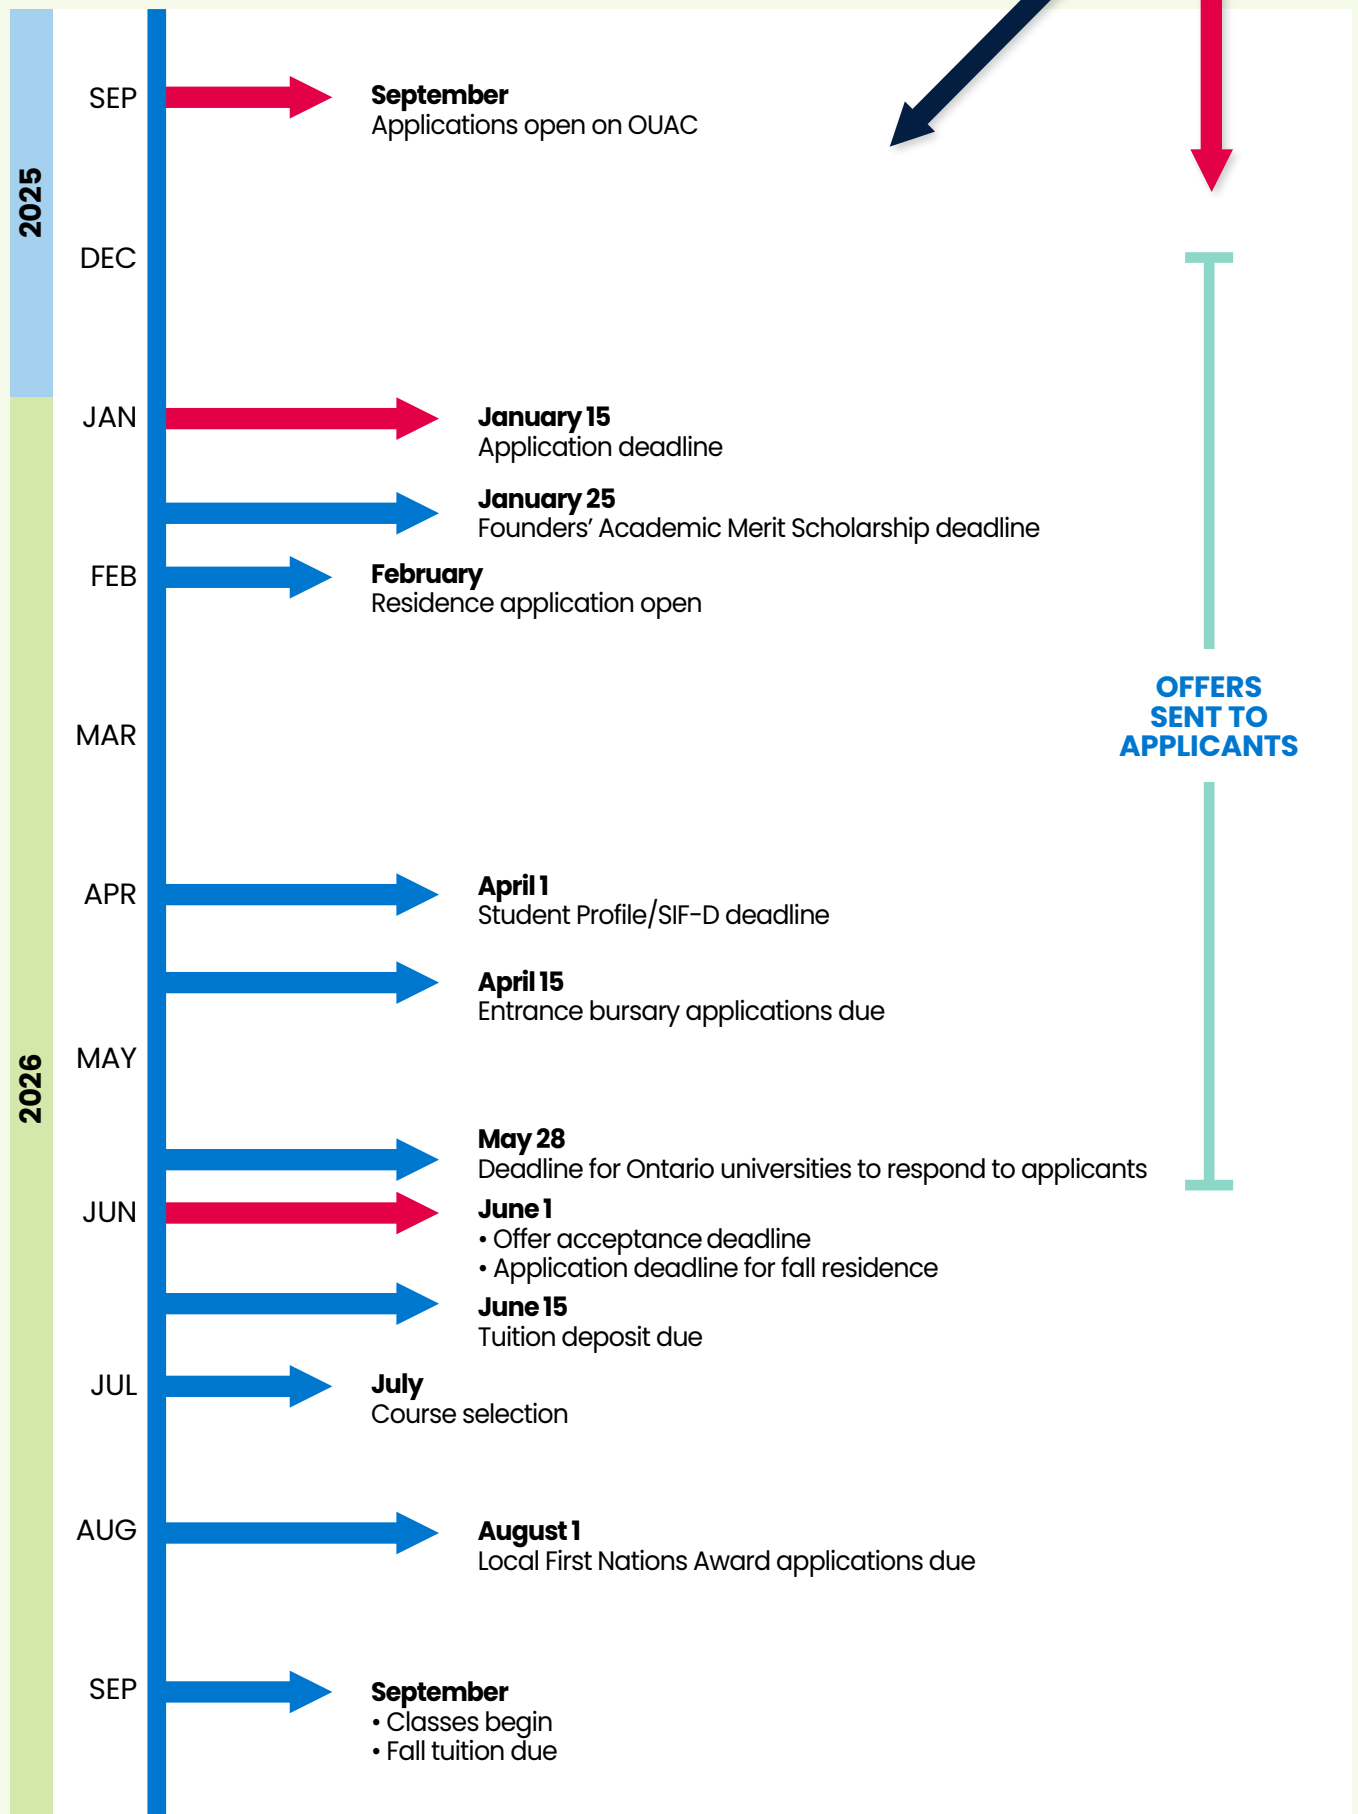

After you apply, keep an eye on your email for information about important deadlines and events.

Check our website for your next steps, including:

- Applying for residence
- Submitting supplementary information
- Applying for scholarships and bursaries

You can review your submitted grades and the status of your application on the OUAC website, **ouac.on.ca**. Admission decisions will be sent by email.

# Application Timeline

To be considered for admission, you must:

- Be in your final year of completing or have completed your Ontario Secondary School Diploma
- Have not attended any postsecondary institution and
- Be completing/have completed six 4U/M courses, including the subject requirements noted in the chart below. These will be used to calculate your admission average.

Program	OUAC Code	Subject Requirements	Estimated Cut-Off Range
Business Administration	GDB	<ul style="list-style-type: none"><li>• ENG4U*</li><li>• Any 4U math</li><li>• Four additional 4U/M courses</li></ul>	70–75%
Early Childhood Studies	GHE	<ul style="list-style-type: none"><li>• ENG4U*</li><li>• Five additional 4U/M courses</li></ul>	70–75%
Justice Studies	GMP	<ul style="list-style-type: none"><li>• ENG4U*</li><li>• Five additional 4U/M courses</li></ul>	70–75%
Kinesiology	GHK	<ul style="list-style-type: none"><li>• ENG4U*</li><li>• Any 4U math</li><li>• SBI4U</li><li>• Three additional 4U/M courses</li></ul>	70–75%
Media & Communication Studies	GMT	<ul style="list-style-type: none"><li>• ENG4U*</li><li>• Five additional 4U/M courses</li></ul>	70–75%
Psychology	GMA	<ul style="list-style-type: none"><li>• ENG4U*</li><li>• Five additional 4U/M courses</li></ul>	70–75%
Social Services & Well-Being Studies	GHF	<ul style="list-style-type: none"><li>• ENG4U*</li><li>• Five additional 4U/M courses</li></ul>	70–75%

Note: (a) The non-academic component of 4U/M co-op courses is not considered for admission requirements. (b) Courses valued at 1.5 credits or greater will be considered equivalent to one credit. (c) The University will accept any course approved by the Ministry of Education.

\*EAE4U is considered equivalent to ENG4U.

**Current High School Applicants:** Your grades will automatically be sent to the University from the OUAC on an ongoing basis.

If you are an International Baccalaureate student, you will have your grades converted by your school to a percentage.

Please refer to page 37 for details on:

- Student Profile and/or Supplementary Information Form (SIF-D) for Students with Disabilities
- English language requirements

**High School Graduates:** You must arrange to have your high school transcript, any in-progress course transcripts and any other required documents sent to Admission Services by **April 1, 2026**. Please visit the High School Graduate web page for full document details.

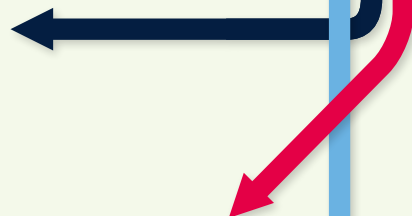

## Important Dates

Application Deadline:  
**JAN 15, 2026**

Student Profile / SIF-D Deadline:  
**APRIL 1, 2026**

Deadline to accept your offer:  
**JUNE 1, 2026**

# Out of Province High School

To be considered for admission, you must:

- Be completing your secondary school diploma or have completed your secondary diploma and
- Meet the respective admission requirements for your province/territory, including subject requirements. Please visit our website for details.

## Important Dates

Application Deadline:  
**JAN 15, 2026**

Student Profile / SIF-D Deadline:  
**APRIL 1, 2026**

Transcript Deadline:  
**APRIL 1, 2026**

Deadline to accept your offer:  
**JUNE 1, 2026**

### Admission average estimated cut-off

**range:** The estimated cut-off range for all programs is 70–75%.

If you are an International Baccalaureate student, you will have your grades converted by your school to a percentage.

**Transcripts:** Information about transcript submission will be included in the email acknowledging your application.

Your School Counsellor/Administrator can email [admissions@guelphhumber.ca](mailto:admissions@guelphhumber.ca) your completed and in-progress Grades 11 and 12 transcripts by **April 1, 2026**. British Columbia applicants can request to have their grades automatically submitted via the Ontario Universities' Application Centre.

Please refer to page 37 for details on:

- Student Profile and/or Supplementary Information Form (SIF-D) for Students with Disabilities
- English language requirements

# International

## Studying in Canada

- You are currently attending a secondary school in Canada
- You are not a Canadian Citizen, Permanent Resident or Landed Immigrant

**Grade and subject requirements:** You will be assessed based on the admission requirements for your province/territory. Please refer to our website for requirements.

**Admission average estimated cut-off range:** The estimated cut-off range for all programs is 70–75%. For more information refer to page 37.

If you are an International Baccalaureate student, you will have your grades converted by your school to a percentage.

**Transcripts and documents:** Transcripts for Ontario and British Columbia applicants will be received via the OUAC. If you are from elsewhere in Canada, please ask your Administrator/Counsellor to email [admissions@guelphhumber.ca](mailto:admissions@guelphhumber.ca) your in-progress/final transcripts by **April 1, 2026**.

Please refer to page 37 for details on:

- English language requirements
- Student Profile

## Important Dates

Application Deadline:  
**JAN 15, 2026**

Student Profile Deadline:  
**APRIL 1, 2026**

Transcript & Document Deadline  
(for outside Ontario):  
**APRIL 1, 2026**

Deadline to accept your offer:  
**JUNE 1, 2026**

## Studying outside Canada

- You are currently attending a secondary school outside Canada and are not a Canadian Citizen, Permanent Resident or Landed Immigrant;

or

- You are currently attending a secondary school outside Canada and are a Canadian resident living outside of Canada

**Admission requirements:** You will be assessed based on the admission requirements for the country where you completed your secondary school education.

**Transcripts and documents:** Your transcript must include all completed and in-progress courses/predicted results at the senior level. You will receive an email after you apply that will detail the list of required documents and transcripts. The deadline to submit your documents is **May 1, 2026**.

Detailed information about the full application and admission process can be found in our *2026 International Applicant Guide*, which can be downloaded at [guelphhumber.ca](http://guelphhumber.ca), or you can request a printed copy be mailed to you.

## Important Dates

Application & Document Deadline:  
**MAY 1, 2026**

# Admission Terminology

**Admission average:** For high school applicants, your admission average is calculated using your top six 4U/M courses (or equivalent), including your subject requirements. When all 4U/M grades are not available, we use a combination of your top six completed or in-progress 4U/M and completed 3U/M courses, including required subjects, for all rounds of offers.

**Estimated cut-off admission range:** Estimated cut-off ranges are based on the admission averages from previous years and are provided as a point of reference. Exact cut-offs for the current admission cycle will be determined by the quantity and quality of applications received and the number of spaces available in the respective program. Possession of an admission average within the estimated cut-off range does not guarantee an offer of admission.

**Offers of admission:** Offers are sent on an ongoing basis from December until the end of May. All applicants will receive an admission decision by **May 28, 2026**. Your final grades, once received, must fulfil the conditions of your offer. Ontario and BC high school applicants can check the grade data sent through their OUAC account.

**Repeated courses, summer school, night school and correspondence:** The University will use the highest grade reported for Grade 12 courses taken at a Ministry-approved school prior to June 2026, regardless of format.

**English language requirements:** If your first language is not English, or if you have completed less than four years of study in English at the secondary level, then you are required to submit proof of English proficiency. For full details, please visit our website.

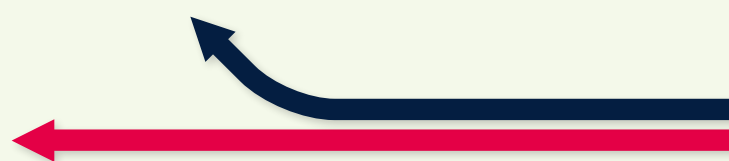

You will receive an email with detailed instructions (after you apply) if you are required to demonstrate English proficiency as part of your application.

**Student Profile (SP):** The Student Profile offers you an opportunity to tell us about factors that may have impacted your grades. You are encouraged to complete the SP if your average is within a discretionary range of the determined cut-off (within 5%).

**Supplementary Information Form for Students with Disabilities (SIF-D):** If you identify as a student with disabilities and your admission average does not meet the cut-off for the program to which you have applied, your SIF-D may be considered if your average is within a discretionary range of the determined cut-off (within 5%). Optional to complete.

For full details and to complete your SP or SIF-D, visit our website.

Deadline:  
**APRIL 1, 2026**

# University of Guelph

Located an hour outside Toronto, in one of Canada's safest cities, you'll find a picturesque campus, where learning and discovery thrive. We prepare you for whatever the future brings so you can find success in your education, career and life.

**The education you need,  
for the life you want.**

**The University of Guelph offers a wide range of academic programming designed to deliver an experience that blends broad-based learning with focused study in specialized and applied fields.**

- Bachelor of Applied Science
- Bachelor of Arts
- Bachelor of Arts and Sciences
- Bachelor of Bio-Resource Management
- Bachelor of Commerce
- Bachelor of Computing
- Bachelor of Creative Arts, Health and Wellness
- Bachelor of Engineering
- Bachelor of Indigenous Environmental Science and Practice
