

2022-23 Tuition Fee Increases

The 2022-23 tuition rates below become effective in Fall 2022.

Tuition Rates for Domestic Students

In March 2022, the Ministry of Colleges and Universities (MCU) announced a continuation of the tuition freeze for Domestic Ontario students, and an allowed increase of up to 5% for Domestic Non-Ontario (out-of-province) students. Please refer to the [definitions of Domestic Ontario and Domestic Non-Ontario students](#).

Student Type Under MCU Tuition Framework	% Increase in Tuition
Domestic Ontario	0%
Domestic Non-Ontario	5%

International Tuition Rates for Undergraduate and Diploma Programs

These amounts reflect **tuition only** for two semesters.

Compulsory fees for Fall 2022 and Winter 2023 will be posted in early June.

Undergraduate/Diploma Program	Tuition for New Students	% Increase in Tuition for Continuing Students*
Business	\$34,839	5%
All other programs	\$30,317	5%

*2022-23 tuition fee rates vary for continuing students depending on their cohort.

For 2016-2017 and earlier cohorts, in-course international students will have no increase in accordance with the University's past practice of a cohort fee for the length of the program. Students who entered in 2017-18 or later no longer have the cohort fee rate guarantee and will be subject to any approved fee increases.
