

00:00:04,240 --> 00:00:09,360

Hello I'm Adam Sandford the Psychology Assistant Program Head at the University of Guelph-Humber.

00:00:10,240 --> 00:00:16,240

Welcome to our Standing Ovation. On behalf of the students staff and faculty I would like

00:00:16,240 --> 00:00:21,360

to thank you for your continued partnership with the Psychology program. During my tenure

00:00:21,360 --> 00:00:26,720

I have witnessed the growth and success of the Psychology placements in large part thanks to

00:00:26,720 --> 00:00:34,800

your continued dedication to student learning and mentorship. You the placement coordinators and the

00:00:34,800 --> 00:00:41,600

students have risen to the challenges imposed by the pandemic to continue serving the people who

00:00:41,600 --> 00:00:49,200

use and in many cases need your services. You have been excellent in your supervision of our students

00:00:49,200 --> 00:00:53,200

who will pay forward their experiences and learning through their careers.

00:00:54,160 --> 00:01:00,080

And some will pay back by volunteering with your organization or seeking employment with

00:01:00,080 --> 00:01:04,800

your organization. We are looking forward to continuing our relationship with you

00:01:05,440 --> 00:01:13,050

into the future. I hope you like I am are looking forward to the year ahead of us. Thank you so much.
