

Frequently Asked Questions

What is the role of an Academic Advisor?

Academic Advisors are the primary source of advising for students and should be your first contact to discuss any issues, questions, or concerns about your academic program. Each student has direct access to an Academic Advisor, who focuses on program-related issues and advice, and can assist you with degree program requirements and expectations. Your Academic Advisor can assist you in course sequencing, interpreting university policies and procedures, facilitating resolution of academic problems, conflicts and concerns, and referring you to additional resources on campus.

What courses do I need to complete in order to graduate?

Student must complete 15.0 credits in order to be eligible to graduate.

How do I register for my courses?

Course registration takes place a few months prior to the start of each new academic semester. A step-by-step guide to course registration (including video tutorials) can be found in the New Student Guide: www.guelphhumber.ca/newstudents. Remember to always use this Program Plan, as well as the Course Schedule to determine which sections of courses you are allowed to register for.

How are classes delivered?

Classes are part-time and delivered in a hybrid format combining in-class lectures and group discussions with online study. You will be required to attend three in-class, intensive weekend sessions per semester: Friday evening (6 p.m. to 10 p.m.) and all day Saturday and Sunday (8:30 a.m. to 4:30 p.m.) at the University of Guelph-Humber campus in Toronto.

When are the intensive weekend dates for the hybrid courses?

Intensive weekend dates are listed in the [Course Schedule](#) for the upcoming semester.

May I take some of my courses at another institution for credit?

Yes. See your Academic Advisor for more information and assistance with planning and sequencing your courses.

Am I required to complete a field placement?

No. BAA Justice and Public Safety students are granted transfer credit for all field placement courses in the program.

How will my Academic Advisor communicate with me?

Throughout the year, important updates will be sent via your university email address. This is the primary means of communication for students and you should ensure to use this email account when communicating with any staff or instructors at the university. You should get in the habit of checking this email account frequently. It is suggested that you change your password to something that you will easily remember.

What are my next steps as a new student?

Refer to the New Student Guide found at www.guelphhumber.ca/newstudents to guide you through course registration (with video tutorials), fee payment, obtaining your student ID card, and much more!
