

Frequently Asked Questions

What is the role of an Academic Advisor?

Academic Advisors are the primary source of advising for students and should be your first contact to discuss any issues, questions, or concerns about your academic program. Each student has direct access to an Academic Advisor, who focuses on program-related issues and advice, and can assist you with degree program requirements and expectations. Your Academic Advisor can assist you in course sequencing, interpreting university policies and procedures, facilitating resolution of academic problems, conflicts and concerns, and referring you to additional resources on campus.

What courses do I need to complete in order to graduate?

The BAA degree consists of 15.0 credits (30 courses). Students who are admitted into this program will receive transfer credits based on their educational and professional experience.

Students who were admitted into this program **with previous training** with the OPC, the Military Depot, the RCMP depot or similar government training institution will receive 9.0 transfer credits (18 courses) and will need to complete **12** courses within this program.

Students who **have not** received training at the OPC, the Military Depot, the RCMP depot or similar credited government training institution will receive between 7.0 to 8.5 transfer credits (14 to 17 courses). They will need to complete between **13 to 16** courses depending on the number of transfer credits that is received.

How do I register for my courses?

Course registration takes place a few months prior to the start of each new academic semester. A step-by-step guide to course registration (including video tutorials) can be found in the New Student Guide:

www.guelphhumber.ca/newstudents. Remember to always use this Program Plan, as well as the Course Schedule to determine which sections of courses you are allowed to register for.

How are classes delivered?

Classes delivered in an online format on [CourseLink](#). No physical classroom attendance is required.

May I take some of my courses at another institution for credit?

Potentially. Contact your Academic Advisor for more information and assistance with planning and sequencing your courses. Approval is dependent on the academic residency requirement: calendar.guelphhumber.ca/guelph-humber-calendar/

Am I required to complete a field placement?

No. BAA Justice and Public Safety students are granted transfer credit for all field placement courses in the program.

How will my Academic Advisor communicate with me?

Throughout the year, important updates will be sent via your university email address. This is the primary means of communication for students and you should ensure to use this email account when communicating with any staff or instructors at the university. You should get in the habit of checking this email account frequently. It is suggested that you change your password to something that you will easily remember.
