Does Guelph-Humber meet the Institute of Chartered Accountants of Ontario 51 – credit hour requirement?

This planning document is applicable for students considering a career as a CA and meets the ICAO's "credit hour" requirements. To focus on the CA Designation in Accounting requires the completion of 5.0 credits (10 courses) in approved accounting courses, in order to obtain the Institute's "51 – credit hours".

Students, wishing to pursue the **CA, CMA or CGA** designation may need to complete additional courses beyond their BBA graduation requirements. Please see your Academic Advisor for clarification.

The requirements of the professional accounting associations are subject to change and students are responsible for determining the requirements of the associations. It is recommended that students obtain written confirmation from the associations prior to registering in courses. Transfer students are strongly encouraged to confirm with their designating body of interest, the process for determining credit for courses completed at more than one post secondary institution.

What general electives should I take and when should I take them?

Choose general electives from the subjects that interest you the most. Different electives are offered in different semesters and these will be noted in time for course selection. Students must incorporate four general electives (2.0 credits), into their program plan.

Can I take a business course as a general elective?

No. General electives are designed to give students depth and breadth in their studies and provide an opportunity for business students to take courses with students in other programs.

Am I required to take my general electives at Guelph-Humber?

Letters of Permission may be available in order to take general electives at another institution. Please see one of the Learning Support Peers for details.

I am a transfer student. How do I know which courses I can select?

Transfer Students should use this document, in collaboration with their official credit assessment to determine which courses they have the required pre-requisites to select. Transfer students should meet with their Academic Advisor in advance of course selection dates to confirm their schedule.

Is there Co-op in the Business Program?

No. However, students will receive workplace experience in their last semester in BADM*4400 Applied Business Study.

Will my degree and/or diploma note my area of emphases?

Upon successful completion of 2.5 credits (5 courses) in a specific subject area, students may request to receive a notation on their Humber College diploma. Students may only declare ONE area of emphases. Students are not required to declare an emphasis and may choose to take courses from several different subject areas.

Where can I go for more information?

Visit your Academic Advisor, Joe Varamo in GH 108, or call 416.798.1331, ext 6089 to book an appointment. Visit the **LSP's** in the Learning Commons and in GH 210B. You can also email them at lsp@guelphhumber.ca

Summer Semester		General Elective		S

Students are strongly encouraged to plan out their entire schedule before selecting any courses to ensure all requirements will be met at the end of their studies. This is especially important for transfer students. Students must be aware that in order to fulfill designation requirements they may need to take additional restricted electives above the program requirements. In order to do this, they will need to take summer courses or choose more than 2.5 credits for some semesters.
