- 13.0 credits (26 courses) Core Courses
- 5.0 credits (10 courses) From the approved list of Restricted Business Electives
- 2.0 credits (4 courses) General Electives (non business courses)

**Note: This program plan is only valid for students who have <u>started</u> their program in 2023, please consult the Academic Calendar for previous plans.

Does the University of Guelph-Humber meet the Chartered Professional Accountants of Ontario Professional Education Program prerequisite requirement?

This planning document is applicable for students considering a career as a CPA and meets the CPA requirement for admission into the Professional Education Program (PEP). These prerequisites include an undergraduate degree and specific subject area coverage, found by visiting <u>www.cpaontario.ca/become-a-cpa/why-cpa/prerequisites/post-secondary-institutions-entry-courses</u> In addition to your undergraduate degree, students wishing to achieve the CPA designation will be required to complete additional courses post-graduation with CPA Ontario.

The requirements of the CPA are subject to change at any time. It is the responsibility of the student to remain informed about CPA admission requirements and course standards. Transfer students are strongly encouraged to confirm the process for determining credit for courses completed at more than one post-secondary institution.

What general electives should I take and when should I take them?

Choose your general electives in subjects that interest you, from the published "Electives" list, under "Course Schedules." Different electives are offered in different semesters and these will be noted in time for course selection. Students must incorporate four general electives (2.0 credits), into their program plan. General Elective courses can qualify for the Credit/No Credit Grading Option. For more information, please review the Academic Calendar.

Can I take a business course as a general elective?

No. General electives are designed to give students depth and breadth in their studies and provide an opportunity for business students to take courses with students in other programs.

Am I required to take my general electives at Guelph-Humber?

Letters of Permission may be available in order for you to take general electives at another institution. For more information, please review the following webpage: <u>https://www.guelphhumber.ca/advising/lop</u>

I am a transfer student. How do I know which courses I can select?

Transfer Students should use this document, in collaboration with their official credit assessment to determine which courses they have the required pre-requisites to select. Transfer students should meet with their Academic Advisor in advance of course selection dates to confirm their schedule.

Is there Co-op in the Business Program?

No. However, students are required to complete 100 hours of placement in their last semester with BADM*4400 - Applied Business Study. In addition, students have the option to take BADM*3300 – Business Workplace Learning (420 hours) or BADM*3500 - Business Practicum (200 hours) for additional hours. If you have any questions about BADM*3300, BADM*3500 or BADM*4400, please contact the BBA Placement Coordinator (career@guelphhumber.ca).

Will my degree and/or diploma note my area of emphasis?

Upon successful completion of 3.0 credits (6 courses) in a specific subject area, students may request to receive a notation on their Humber College diploma. Students may only declare ONE area of emphasis. Students are not required to declare an emphasis and may choose to take courses from several different subject areas.

Where can I go for more information?

Contact your Academic Advisor for more information on the Business Administration program. To set up an appointment with your Academic Advisor email <u>advisors@guelphhumber.ca</u> or call 416.798.1331 ext. 6288. For peer advising, you can visit the **LSP's** in the Learning Commons, or feel free to email them at <u>lsp@guelphhumber.ca</u>.

NOTE: This program plan has been designed to assist you with course selection and program planning. In the case of any discrepancies between this document and the approved schedule of studies, the schedule of studies (as found in the Undergraduate Calendar at www.guelphhumber.ca/calendar), will serve as the official record.
