Business Administration

What courses do I need to complete in order to graduate?

You must complete 20 credits (40 courses), including the following:

- 13.0 credits (26 courses) Core Courses
- 5.0 credits (10 courses) Restricted Business Electives (please see Page 4 for full list)
- 2.0 credits (4 courses) General Electives (non business courses)

Each course in the Business Program has a credit value of 0.5, with the exception of BADM*3300

**Note: This program plan is only valid for students who have <u>started</u> their program in 2023, please consult the Academic Calendar for previous plans.

What general electives should I take and when should I take them?

Students must incorporate four general electives (2.0 credits) into their program plan. According to the schedule of studies, students should complete their general elective credits in semesters 3, 4, 5 & 6. Choose your general electives in subjects that interest you, from the published "Electives" list, under "Course Schedules".

It is expected that most students in the program will use their general elective courses to develop knowledge in an area of special interest. You can review previous course outlines to obtain an general overview of the course: https://www.guelphhumber.ca/academic-services/course-outlines. If you are unsure of when to complete a specific course, please see your Academic Advisor for clarification. General Elective courses can qualify for the Credit/No Credit Grading Option. For more information, please review the Academic Calendar.

Can I take a business course as a general elective?

No. General electives are designed to give students depth and breadth in their studies and provide an opportunity for Business students to take courses with students in other programs.

Am I required to take my general electives at Guelph-Humber?

Letters of Permission may be available in order for you to take general electives at another institution. For more information, please review the following webpage: https://www.guelphhumber.ca/advising/lop

I am a transfer student. How do I know which courses I can select?

Transfer Students should use this document, in conjunction with their official credit assessment to determine which courses they have the required pre-requisites to select. Transfer students should meet with their Academic Advisor to confirm the schedule they have developed in advance of the course selection dates.

Is there Co-op in the Business Program?

No. However, students are required to complete 100 hours of placement in their last semester with BADM*4400 - Applied Business Study. In addition, students have the option to take BADM*3300 – Business Workplace Learning (420 hours) or BADM*3500 - Business Practicum (200 hours) for additional hours. If you have any questions about BADM*3300, BADM*3500 or BADM*4400, please contact the BBA Placement Coordinator (career@quelphhumber.ca).

Will my degree and/or diploma note my area of emphasis?

Upon successful completion of 3.0 credits (6 courses) in a specific subject area, students may request to receive a notation on their Humber College diploma. Students may only declare ONE area of emphasis. Students are not required to declare an emphasis and may choose to take courses from several different subject areas.

Where can I go for more information?

Contact your Academic Advisor for more information on the Business Administration program. To set up an appointment with your Academic Advisor, please visit: https://www.guelphhumber.ca/advising/advisors.. For peer advising, you can visit the **LSP's** in the Learning Commons, or feel free to email them at lsp@guelphhumber.ca.

NOTE: This program plan has been designed to assist you with course selection and program planning.
