

CHANGE OF GIVEN NAME(s) and/or GENDER IDENTITY INFORMATION

BACKGROUND INFORMATION

University of Guelph-Humber's Registrarial Services produces various kinds of records based on personal information supplied by a student or outside agency. These records include, but are not limited to ID cards, class lists, student directories, transcripts, degrees and scholarship information ("Records").

The University's student information system requires a person's first and/or middle ("Given Name") and last name ("Family Name") as well as a student ID number to identify the student. Past or current students ("Students") who wish to change their given name or family name may use the process available under the Change of Name Act, RSO 1990 c.C.7. For further information, see: www.ontario.ca/page/official-government-id-and-certificates

PROCEDURES

This form cannot be used to change a student's family name. If you would like to request a change to your family name for University Records, complete the *Notice of Legal Name Change Form* found on the [Academic Forms page](#). Students who wish to legally change their given name(s) and/or family name should consult the Government of Ontario website at www.ontario.ca/page/change-name.

Students who wish to change their given name(s) and/or gender identity for the purposes of University Records should complete the *Change of Given Name(s) and/or Gender Identity* form and submit it via email to advisors@guelphhumber.ca. The University reserves the right to require further supporting documentation for the request if, in the University's sole discretion, such additional documentation is required in the circumstances.

The *Change of Given Name(s) and/or Gender Identity* form will change the given name for University of Guelph-Humber Records only. These documents cannot be used to change a student's family name. The University will change a student's given name using this option only once. If a student has already changed his or her given name and wishes to change it again, the only option is to revert back to their original given name.

The University reserves the right to refuse to accept preferred given names or given names which are not compatible with the student information system, such as symbols or names that are based in whole or part of numerical sequences. The University will retain a historical record of all given names as part of the Registrar's student record. The preferred given name(s) will be used by the University in future correspondence to the student and about the student with external parties.

LIMITATIONS

Students who wish to change their given name should be aware that changing their given name with this form will change the given name only for internal University of Guelph-Humber purposes. This form does not legally change your name. External institutions including but not limited to OSAP, banks, RESP providers, potential employers, other universities, passports, police records check (required for some courses and student placements), Revenue Canada (income tax receipts) and student health insurance providers may not accept or recognize the new preferred given name. Students understand and agree that inconsistency between the preferred given name used by the University and the given name used by external organizations may cause the student unexpected difficulty and it is solely the student's responsibility to resolve such difficulties.

OTHER CONSIDERATIONS
