Farkhanda Shamim [00:00:17] Dear graduating class, congratulations on your academic success. We are so proud of you and so should you that you survived the pandemic and you hung in there till the last day. Likewise, never fear from new ventures and never allow fear to question the credibility of your dreams. The sky is the limit. I would leave you with the following quote by Eleanor Roosevelt that the future belongs to those who believe in the beauty of their dreams. May the force be with you and please stay in touch. We would love to hear your life stories.

Eli Lewin [00:00:58] Hi my name is Eli Lewin. I thought many of you Business logistics and project management. I wish all graduates success and good luck in the new phase of your life. Talking about good luck reminds me of Gary Player, world champion, South African champion in golf. He won many, many world tournament majors, which some of them he won only by the last spot. He used to say "The hard I practice the luckier I become." So find a job and work hard and achieve success and luck. Study if you wish to study, to continue study, I suggest my opinion. Do it after hours. So again, wishing you success and good luck. Eli Lewin hope I cross paths with many of you in the future. Bye.

Julia Ciampa [00:03:17] Hello. Graduating class of 2021. My name is Julia Ciampa and I am your Guelph-Humber Student Engagement Coordinator over at IGNITE. And I, along with the rest of the team, want to congratulate you on achieving this incredible milestone. We know that this journey hasn't always been easy. And to be honest, it's probably quite different from what you had imagined when you first stepped foot on campus. Many of you experienced the Ontario College strike in your first year of studies, the Student Choice Initiative, plus the transition to online learning due to the Covid-19 pandemic. Talk about

resiliency. These may not have been the things that you have envisioned, nor were they the things that you could have planned for. But the truth is, you cannot plan for life because you don't know everything that it has planned for you. And that's a part of the beauty of it. Your time here at the University of Guelph Humber has showed how resilient, adaptable and strong willed you are and that you are capable of anything. We hope you keep from doubting yourself, because not only have you succeeded during very difficult circumstances, but you have also excelled. Your journey is just beginning and we are so happy to be able to be a part of it. Congratulations grades.
