Julia Ciampa [00:01:55] Hello graduating class of 2021. My name is Julie Ciampa and I am your Guelph-Humber student engagement coordinator over at IGNITE. And I, along with the rest of the team, want to congratulate you on achieving this incredible milestone. We know that this journey hasn't always been easy. And to be honest, it's probably quite different from what you had imagined when you first stepped foot on campus. Many of you experienced the Ontario College strike in your first year of studies, the Student Choice Initiative, plus the transition to online learning due to the covid-19 pandemic. Talk about resiliency. These may not have been the things that you have envisioned, nor were they the things that you could have planned for. But the truth is, you cannot plan for life because you don't know everything that it has planned for you. And that's a part of the beauty of it. Your time here at the University of Guelph-Humber has showed how resilient, adaptable and strong willed you are and that you are capable of anything. We hope you keep from doubting yourself, because not only have you succeeded during very difficult circumstances, but you have also excelled. Your journey is just beginning and we are so happy to be able to be a part of it. Congratulations grads.
