	ECS*4080	Field Placement VI	<ul style="list-style-type: none"> • ECS*4070 	1.0
		General Elective		0.5

FREQUENTLY ASKED QUESTIONS

What courses do I need to complete in order to graduate?

Students must complete 18.0 core credits and 2.0 general elective credits in order to be eligible to graduate.

What electives should I take?

Choose electives that interest you. Electives offered in the fall will differ from electives offered in the winter semester. An 'Electives' schedule will be available before course selection. If you are interested in applying to a Bachelor of Education or other post-graduate program after graduation, you may need to tailor your electives to meet the admission requirements of various programs.

May I take an EC course as an elective?

No. Electives are designed to give students breadth and depth in their studies. General Electives also provide an opportunity for EC students to take courses with other Guelph-Humber students.

Am I required to take my electives at Guelph-Humber?

Letters of Permission may be available in order for you to take electives at another university. Please see your Academic Advisor.

Is there a Field Placement in the EC Program?

Yes. Starting in the first year students receive workplace experience through five progressive practicum placements in early childhood and educational settings across the GTA. Students will be considered "professionals in training" and performance expectations will increase according to the semester level. Throughout the placements students participate in classroom seminars to critically analyze and share their experiences.

I am a transfer student. How do I know which courses to select?

Transfer Students should use this document along with their official credit assessment to determine which courses they have been granted and which courses they need to take. Transfer students should meet with their Academic Advisor to confirm the schedule they have developed in advance of the course selection dates.

Where can I go for more information?

Visit your Academic Advisor in GH 108. Call 416.798.1331 x. 6288 to book an appointment, or email your questions to advisors@guelphhumber.ca.

Also, visit the Learning Support Peers (LSPs) in the Learning Commons or email them at lsp@guelphhumber.ca.

NOTE: This program plan has been designed to assist you with course selection and program planning. In the case of any discrepancies between this document and the approved Schedule of Studies, the Schedule of Studies (as found in the Academic Calendar at www.guelphhumber.ca/calendar) will serve as the official record.
