Finding Full Text Online

Finding full text for an article from a citation is not difficult. This guide shows you how to locate full text using the eJournals menu.

1. On the <u>UofGH Library homepage</u> select the eJournals tab. Choose the library collection you wish to search. Start with Guelph's collection, since it is larger than Humber's.

Search by journal ti Guelph Humber Go	tle.			

2. Enter the journal title in the title search box and click **Search**. Make sure you're entering the **journal title**, not the **article title**. **Hint**: in APA references, Journal Title is in italics.
