

00:00:04,080 --> 00:00:08,960

Hi this is Dr. Gary Ellis the Program Head of Justice Studies at the University of Guelph-Humber.

00:00:08,960 --> 00:00:13,920

I just want to take this time to thank you all very much for all you do for our students.

00:00:13,920 --> 00:00:18,080

The Justice Studies program is one of the more popular programs at the university

00:00:18,080 --> 00:00:21,920

and one of the reasons is because of the great placements that the students have and

00:00:21,920 --> 00:00:27,120

the placements are great because of how much you actually pour into them when they're there. It's a

00:00:27,120 --> 00:00:34,320

strong part of our program. We appreciate all you do and when I talk to alumni they tell me oh

00:00:34,320 --> 00:00:38,800

one of the greatest things was the placements. It prepared me for the workplace. I learned a lot and

00:00:38,800 --> 00:00:45,040

it actually took my in-class learning and turned it into reality. So all I can ask is please keep

00:00:45,040 --> 00:00:51,200

it up please keep taking our students please keep developing our future and thank you very much

00:00:51,200 --> 00:00:56,640

from the bottom of my heart. This is one very very important part of what we do at the University

00:00:56,640 --> 00:01:03,040

of Guelph-Humber so thank you. All the best to all of you and if you ever any questions never

00:01:03,040 --> 00:01:10,034

hesitate to reach out and call me talk to me. I'm very happy to support our students. So thank you.
