

Frequently Asked Questions

What courses do I need to complete in order to graduate?

You must complete 20.0 credits including:

- 34 required core kinesiology courses
- 3 general electives courses
- 4 non-credit (0.00) practicum courses

What electives should I take?

Choose your general electives in subjects that interest you, from the published “Electives” list, under “Course Schedules.” It is expected that most students in the program will use their general elective courses to develop knowledge in an area of special interest. Most likely, electives offered in the Fall will differ from electives offered in the Winter semester. Electives are also offered in the Summer. A schedule will be available before course selection.

Can I take a Kinesiology course as an elective?

No. General Electives are designed to give students depth and breadth in their studies and provide an opportunity for Kinesiology students to take courses with Guelph-Humber students in other programs.

Am I required to take my electives at the University of Guelph-Humber?

Letters of Permission may be available in order for you to take electives at another university. Please see your Academic Advisor.

Is there Field Placement in the Kinesiology Program?

Yes. In your third and fourth years you will complete one to two industry field placements which will provide you with valuable real-life experiences and networking opportunities to prepare you for a career in the health and fitness industry or in a clinical/rehabilitation setting.

Is there research in the Kinesiology Program?

Yes. In your fourth year you will have the option to complete a two-semester thesis.

I am a transfer student. How do I know which courses to select?

Transfer Students should use this document along with their official credit assessment to determine which courses they have been granted and which courses they need to take. Transfer Students should meet with their Academic Advisor to confirm the schedule they have developed in advance of the course selection dates.

Where can I go for more information?

Visit your Academic Advisor, **Lalita Manku** in GH 108 (Student Services office), or call 416.798.1331 ext. 6288 to book an appointment or contact advisors@guelphhumber.ca.

Visit the Learning Support Peers (LSPs) in the Learning Commons area throughout the Fall and Winter semesters. You can also email the LSPs at lsp@guelphhumber.ca.

NOTE: This program plan has been designed to assist you with course selection and program planning. In the case of any discrepancies between this document and the approved Schedule of Studies, the Schedule of Studies (as found in the Academic Calendar at www.guelphhumber.ca, under “Quick Links”), will serve as the official record.
