

00:00:04,080 --> 00:00:10,240

Hello everyone I'm Dr. Paul Sherman Program Head of the Community Social Services program

00:00:10,240 --> 00:00:17,040

at the University of Guelph-Humber. I would like to take this opportunity to thank each and every one

00:00:17,040 --> 00:00:24,240

of you our dedicated and committed field placement partners for your continued support of our program

00:00:24,960 --> 00:00:30,240

and importantly your support of our students experiential learning opportunities.

00:00:31,200 --> 00:00:36,000

I worked for over 30 years in various community mental health agencies before

00:00:36,000 --> 00:00:42,080

coming to Guelph-Humber and I understand the many challenges involved with providing a field

00:00:42,080 --> 00:00:49,200

placement experience for undergraduate students. I also understand the great rewards that agency

00:00:49,200 --> 00:00:55,200

supervisors receive by watching their students grow personally and professionally over the year

00:00:55,920 --> 00:01:00,160

largely due to the care and meaningful practical experiences

00:01:00,160 --> 00:01:07,360

you afford our students. As our program is highly reliant on field placement experiences

00:01:07,360 --> 00:01:13,120

for the successful delivery of our curriculum we actually could not exist without you.

00:01:13,760 --> 00:01:18,320

I would like to thank you for your continued association with Guelph-Humber

00:01:18,320 --> 00:01:25,840

and the CSS program in particular. Thank you again and I wish you all a wonderful relaxing summer.
