

0:00:04.830,0:00:08.890

My name is Lauren Farrugia and I'm a fourth-year Media Communications student at the University

0:00:08.890,0:00:13.120

of Guelph-Humber who is specializing in media business and for my fourth-year placement

0:00:13.120,0:00:17.990

I got an internship at the Salon Communications Inc. also known as Salon Magazine, which is

0:00:17.990,0:00:22.730

Canada's number one trade publication for salon professionals, as an advertising and

0:00:22.730,0:00:24.560

editorial intern.

0:00:24.560,0:00:28.599

I wanted to intern at Salon Magazine because I have a really big interest in working in

0:00:28.599,0:00:33.300

the beauty and fashion industries and doing advertising within those specific industries

0:00:33.300,0:00:36.620

so I thought Salon Magazine would be a great place for me to start just so I could get

0:00:36.620,0:00:39.790

some background and some great knowledge from the people who have been working within those

0:00:39.790,0:00:41.100

industries for such a long time.

0:00:41.100,0:00:45.580

One of my biggest challenges going into my internship at Salon was knowing exactly where

0:00:45.580,0:00:49.690

I wanted my career to go after my time at Guelph-Humber and I feel like working at Salon

0:00:49.690,0:00:53.420

has given me lots of insight into where I want to take the next few years of my career.

0:00:53.420,0:00:57.300

I'm extremely grateful for the opportunity that I had working at Salon Magazine as I

0:00:57.300,0:01:00.720

feel like I have learned so much over the short 12-week period that I've been there

0:01:00.720,0:01:04.710

and I've really developed long lasting relationships for my future career.

0:01:04.710,0:01:09.800

Hello, my name is Christen Wong and I am a fourth-year Media Studies student.

Right now I am completing my internship at the Academy of Canadian Cinema and Television.

0:01:16.000,0:01:23.240

I chose the Academy because I wanted to learn more and contribute to the Canadian film industry

0:01:23.240,0:01:27.460

as well as expand my skills and communication.

0:01:27.460,0:01:32.390

It is a bit strange working in an all online environment but I've quickly learned how

0:01:32.390,0:01:37.070

fast paced and connected people at the Academy can be.

0:01:37.070,0:01:42.930

From our many meetings I felt extremely welcomed especially since my first interview to now

0:01:42.930,0:01:46.240

working hours over time with my dear team.

0:01:46.240,0:01:51.030

I'm so thankful for the opportunity to work with my Academy family.

0:01:51.030,0:01:56.410

I've grown as a media professional, met devoted and hardworking film enthusiasts as

0:01:56.410,0:01:59.920

well as made connections with my team.

0:01:59.920,0:02:05.190

Now that I'm about to graduate from university I'm so grateful for all the experiences

0:02:05.190,0:02:13.000

from Guelph-Humber and the Academy for shaping me and helping prepare me for my future career. Thank you again.

Hello my name is Sonia Sanghera and I am a graduate from the Media Studies program.

0:02:17.520,0:02:22.000

During my final year I did an internship with the Canadian Women's Foundation. It was there

0:02:22.000,0:02:25.640

when I recognized my burning desire and passion to help others.

0:02:25.640,0:02:30.430

I really wanted to help empower girls out of poverty into confidence and leadership.

0:02:30.430,0:02:34.120

During my time interning at the Canadian Women's Foundation I was introduced to a fierce group

0:02:34.120,0:02:37.349

of female leaders that helped me dip my feet into the media world.

0:02:37.349,0:02:41.590

I was able to connect with social media influencers and introduced to big names within the media

0:02:41.590,0:02:43.030

industry such as Pooja Handa.

0:02:43.030,0:02:47.340

I'm so thankful for this opportunity with the Canadian Women's Foundation because I

0:02:47.340,0:02:52.870

was able to find my passion and take the steps necessary in order to move forward in my career.
