Hello, I'm Dr. Nikki Martyn. I'm the Program Head of Early Childhood Studies here at the University

of Guelph-Humber. I would like to welcome you here today. I'm sorry we can't meet in person

0:00:15.440,0:00:19.760

and I hope next year we will be back on campus and I look forward to seeing you.

Most importantly I want to thank you for supporting our students.

0:00:24.640,0:00:31.440

We value our relationships and collaborations with you. Every year students graduate from our program

0:00:31.440,0:00:37.760

to become RECEs and the experiences with you help create the incredible professionals they become

0:00:38.400,0:00:45.280

impacting children and families for years to come. For that I can't express enough gratitude.

0:00:45.280,0:00:52.160

The work you do is so important and valuable to our students, program, children, families

0:00:52.160,0:00:57.840

and society as a whole. Thank you from my heart to yours. Wishing you all the best.
