ALUMNI SERVICES

Stay Connected!

Alumni Services provides programs and services to keep graduates connected to the university and other UofGH alumni.

Partnering with Instructors:

- Contact us to request alumni speakers for your class
- Notify us when you bring alumni to your class or invite them to campus
- Receive a gift to provide to alumni volunteers (when on-campus)
- Encourage participation in the Student-Alumni Mentorship Program

Student Services

Career & Placement Services

There is a Career Coordinator and Field Placement Coordinator who works with each academic program.

Partnering with Instructors:

- Provide instructors with current job search and labour market information
- Deliver customized workshops on a variety of topics
- Navigate your students' graduate school application and reference process
- Connect students with industry professionals (networking events, career fairs, speakers)- [promote our events or create your own!](#)
- Provide resources for making career choices and setting goals, navigating job search, interviewing and more
- Administrative support and student placement advising for all seven programs
