

The University of Guelph-Humber (UofGH) is a collaboration between the University of Guelph and Humber College Institute of Technology & Advanced Learning. It was founded on the principle of integrating both theory and practice into the curriculum.

Drawing from the expertise and knowledge of our founding institutions, UofGH offers focused programs, a closely connected community, a low student-to-instructor ratio, the possibility to be involved in undergraduate research, and opportunities to gain workplace experience.

UofGH is located in Toronto, Ontario, Canada close to Toronto Pearson International Airport and multiple public transit systems.

# At-a-Glance

**Collaborations with our international university partners** include visiting professors, inbound and outbound exchange students and staff mobility opportunities

■ Study Tours ● University Partners

**I wanted an education that would allow me to choose the ideal coursework for Psychology. I researched and discovered that the University of Guelph-Humber will provide me with an honours degree and diploma in 4 years and guarantee I can graduate with work experience. Building relationships with the professors was also crucial to me—the close-knit community here allows me to form genuine connections with them and gain mentorship experiences.**

– Kathrine S, First year Psychology, International Student

## Student Life

**Our First Year Experience (FYE) Program eases the transition into university life**

**1,545** new students supported through **23 groups** each led by a First Year Experience Leader

**11** **FYE events** Students engage in online and in-person interactions to make connections, learn about events, campus services, and find answers to their questions
