Land Acknowledgement

The University of Guelph-Humber and Humber College are located within the traditional and treaty lands of the Mississaugas of the Credit. Known as Adoobiigok, the “Place of the Black Alders” in the Michi Saagiig language, the region is uniquely situated along the Humber River Watershed, which historically provided an integral connection for Anishinaabe, Haudenosaunee, and Wendat peoples between the Ontario lakeshore and the Lake Simcoe/Georgian Bay regions. Now home to people of numerous nations, Adoobiigok continues to provide a vital source of interconnection for all.
“At Guelph-Humber, you will not only understand the world; you will acquire practical skills to change the world.”

> Dr. George Bragues
Interim Vice-Provost

“Expect to be embraced by our community spirit, but get involved! Use our supportive programs to develop outside of the classroom. Success comes in many forms.”

Early Childhood Studies
Learn how to support children individually, as well as work with their families, schools and the community.

Earn 2 credentials in 4 years.

HONOURS BACHELOR OF APPLIED SCIENCE IN EARLY CHILDHOOD STUDIES
from the University of Guelph

+ DIPLOMA IN EARLY CHILDHOOD EDUCATION
from Humber

Focused academic program
Our program focuses on the physical, social, emotional and cognitive development of young children and their interaction with the world around them.

The curriculum includes children with special needs, infant and children’s mental health, therapeutic play and interprofessional collaboration. You will learn to assess children’s learning; support and educate children in a meaningful way; understand how to create interventions; and know how to work with children in a variety of settings.

You will take a journey of self-awareness, find your own voice and develop a comprehensive set of abilities to deal with diverse circumstances in an empathetic manner.

Course overview
Your first year introduces you to the domains of child development and theories and foundations of early childhood.

Take a look at your first-year courses:
> Children & Play
> Early & Middle Childhood Development
> Field Practicum 1
> Foundations of Early Childhood
> Health & Safety in Early Childhood Settings
> Infant & Toddler Development
> Introductory Psychology: Dynamics
> Introductory Psychology: Principles
> Principles of Sociology
> University Writing Skills for Early Childhood Studies

Your second year includes the basics of human anatomy and physiology; how to create curriculum; research skills; and dynamics of relationships. Communication with children and families is a focus for your third year. And your fourth year emphasizes professional skills such as leadership and working collaboratively.

“My favourite part about the program is the close-knit community and personalized support. You are not a number here at Guelph-Humber and I can’t express how much that changes your experience.”

Currently working part-time as the Early Childhood Studies Program and Events Coordinator, while completing her Master of Arts in Early Childhood Studies.

Travelling abroad changes your view about the world and yourself.

Study abroad
Through instructor-guided study tours, you experience concepts discussed in class. Because all study abroad courses are partially subsidized by the University, the opportunities are within reach.

You may also be eligible for a study abroad travel grant, ranging from $1,500 to $2,500.

Past highlights include:
> Going to nature and farm schools in Odense where children learn through nature: an example of Denmark’s unique contribution to child development
> Learning about a philosophy of well-being and global citizenship in Japan
> Exploring the interplay between sport, health and culture in New Zealand’s Australasian society
> Immersing in the Italian food experience from production to consumption in Italy, including a visit to the world’s first food theme park

Exchanges
Spend a semester overseas at a foreign university such as Avans University of Applied Sciences, Netherlands; Soka University, Japan; or University of Cumbria, England. Experience a different culture, see the world and meet new people.

Our professors lecture at universities and conferences around the world. International professors may visit your class to share their academic expertise and culture with you. Guest lecturers have included Dr. Ester McGuiness from...

Public safety

Your safety is paramount. Campus Security patrols the campus 24 hours a day, 7 days a week.

The Campus Walk program provides a walking partner for anyone who wishes to be accompanied to their vehicle, residence or elsewhere on campus.

The Humber Guardian app provides quick access to campus safety and security resources and emergency contacts.
Campus Life

Build your skills and social circle by participating in activities on campus.

First-year students’ programs and events

We want you to make the most of your university experience by participating in programs designed for you as a first-year student to meet people and get acquainted with the University.

First Year Experience (FYE) Program: Your FYE Leader will mentor and support you as you adjust to being a university student. Throughout the summer, receive information about important dates, campus resources and tips for success. Meet other first-year students in your program, both online and at Orientation, and attend social events and FYE sessions to make the most of your first year.

Easy Start Transition Program: Provides new students with disabilities with resources and information to assist in transitioning to postsecondary studies. You can explore services, learn about accessing academic accommodations and meet returning students registered with Accessible Learning Services.

Kick Start: This one-day event in July helps you and your family prepare for university through information sessions, speakers and activities.

Orientation: Connect with other incoming students at this fun, students-only, official welcome to life at the University. We’ll get you set for classes and show you how to get involved and be successful.

Welcome Week: In the first full week of classes, Student Services offers workshops and events to prepare you for your first year, including the Get Involved! Be Informed! Fair, meet-and-greets with departments and first-year socials.

Societies

Societies are related to our seven academic programs and offer a realm of activities outside of class. They can help you develop leadership skills, gain professional experience and network.

- Accounting Council
- Advertising & Marketing Association
- Alpha Phi Sigma (Justice Society)
- Business Council
- Consulting Association
- DECA U
- ECS Society
- Entrepreneurs Society
- FCSS Society
- Finance Society
- GuHu Media
- International Business Association
- Kinesiology Society
- Pre-Law Society
- Pre-Med Society
- Psi Chi
- Psych Society
- Women in Business Society

Clubs

Run through Ignite (our student government), clubs are social, cultural or interest-based and can change year to year. They are the best way to meet people who share your passions. If you don’t find what you’re looking for, you can start your own! We’ve had clubs for games, pies, dancing, grilled cheese, music, sustainability, various cultures and more.

Work on campus

Gain professional experience and earn money, with a flexible schedule to accommodate your classes. Opportunities include:

- Career Ambassador
- Computer Support Assistant
- CSI Room Forensic Assistant
- ECS Resource Centre Coordinator
- FCSS Symposium Coordinator
- First Year Experience (FYE) Leader
- Kinesiology Lab Technician Assistant
- Learning Support Peer
- Media Cage Assistant
- Peer Tutors
- Residence Assistant
- Social Media Assistant
- Student Life Assistant
- Student Services Support Peer
Student government
Interested in political life and advocating for your fellow students? Consider becoming active in student government: Ignite or the University of Guelph Senate.

Agora Fellowship
Be a part of the Agora Fellowship: a select group of students who discuss ideas and themes from renowned books in a regular forum led by Interim Vice-Provost Dr. George Bragues. Build your extracurricular experience. Every year, the Fellowship takes a trip related to their current topics; destinations have included Boston, Montreal, New York and Washington.

Thesis conference
Present your research. The University of Guelph-Humber Thesis Conference provides a forum for students in Kinesiology, Media and Communication Studies and Psychology to showcase and discuss their primary research projects with peers, professors, faculty and staff.

Soka Education Research Centre on Global Citizenship
Join a global undergraduate research project—the first of its kind in the world—led by Family and Community Social Services Program Head Dr. Paul Sherman. Explore how to nurture human potential and happiness for the greater benefit of humankind through the study of Soka (value creating) education and global citizenship. Travel as a Research Assistant to present study results at professional symposiums.

Build a Co-Curricular Record (CCR)
Demonstrate to employers that you have hands-on experience and skills learned outside the classroom. Your CCR lists your participation in campus clubs, societies, student government and other co-curricular activities.
Sports & Healthy Living

Whether you prefer working out solo, recreational play, competitive sports or watching from the sidelines, there’s something for everyone’s definition of being active.

Athletic Centre

As a University of Guelph-Humber student, you have access to the Athletic Centre on campus, which offers:

> Aerobic and dance studios
> Community pool
> Gymnasiums
> Multi-purpose sports fields
> Weight and cardio room

Arboretum

On campus, you can enjoy the Humber Arboretum with nearly 100 hectares of public gardens and natural areas including ponds and a river. Free to visit.

Recreation and fitness

Take a break from class. Enjoy your favourite activities. Try something new.

> Arboretum trails
> Boot camp
> Extramural leagues
> Fitness classes
> Intramural leagues
> Mood walks
> Personal trainers
> Urban pole walking
> Yoga
> More!

The University of Guelph exists to Improve Life. Our faculty, staff and students alike are committed to it. So, the question to ask as you consider a postsecondary education at one of Canada’s leading comprehensive universities is a simple one: How do you hope to improve life after you graduate?

Going to university isn’t just about getting a degree or a job. It’s also about coming into your own as a person. That’s what it means to join us as a Gryphon. The academics? First-rate and intriguing. The professors? Powerful and thought-provoking. Your fellow students? The most wonderful, good-natured people you’ll ever share a wood-oven pizza with. And the atmosphere? Like being part of a community that you make complete. Everything is connected to improving the lives and careers of our students and 173,000+ alumni worldwide and, in turn, improving life on this planet.

How to apply
All applicants can begin their applications in early October 2020. The online form is available at ouac.on.ca.
Canadian high school students are encouraged to apply by January 15, 2021 to be considered for all rounds of admission. Transfer and international students should visit admission.uoguelph.ca for specific application deadlines.

Campus experience
Over 20,000 full-time students choose U of G every year. Over 3,500 of them choose co-op programs, 16,000+ participate in intramural sports and lifestyle programs at our outstanding facilities, and every first-year student is guaranteed residence* with a variety of options. The U of G campus experience always ranks among Canada’s best—and our food service is ranked #1 (again).

*Residence is guaranteed for all semester one students provided they apply and submit their $750 deposit by June 1, 2021.*

Location
Located less than 40 minutes west of the GTA; the city of Guelph, population 133,000+, is ranked among the best places to live and work in Canada, boasts a beautiful downtown and supports an outstanding, active lifestyle. Express GO Bus access into and out of the GTA is available on campus.

How to apply
All applicants can begin their applications in early October 2020. The online form is available at ouac.on.ca.
Canadian high school students are encouraged to apply by January 15, 2021 to be considered for all rounds of admission. Transfer and international students should visit admission.uoguelph.ca for specific application deadlines.

**Admission average:** For high school applicants, your admission average is calculated using your top six 4U/M courses (or equivalent), including your subject requirements. This average is calculated using the most current grade data available to us through the admission process.

**Admission average estimated cut-off range:** Estimated cut-off ranges are based on the admission averages from previous years and are provided solely as a point of reference. Exact cut-offs for the current cycle will be determined by the quantity and quality of applications received and the number of places available in the respective program. Possession of an admission average within the estimated cut-off range does not guarantee an offer of admission. The cut-off estimates apply to students who have been educated in Canada. If you have been educated outside of Canada, your eligibility will be assessed on an individual basis.

Some applicants may receive an offer in December. In most cases, early offers will be sent to applicants whose admission average far exceeds the estimated cut-offs. All applicants will receive an admission decision by May 27, 2021.

**Repeated courses, summer school, night school and correspondence:** The University will use the highest grade reported for grade 12 courses taken at a Ministry-approved school prior to June 2021, regardless of format.

**Deferrals:** Considered on a case-by-case basis for high school applicants. Please contact Admission Services.

**English language requirements:** You will be required to provide proof of English proficiency if English is not your first language and you have studied less than four years in an English language school (minimum high school level). Please refer to the chart (right) for acceptable tests and scores. Test results must be less than two years old prior to your application.

**Advanced Placement (AP)**

Advanced Placement exam results of four or more may qualify for university credit to a maximum of 2.0 credits (four courses). Official transcripts are required.

**International Baccalaureate (IB)**

If you are applying with an IB diploma, you should present a minimum academic score of 24. Reported bonus points will be taken into consideration. You should complete the diploma with six subjects: three higher level and three standard level. You should also include the specific subject requirements for the program to which you are applying among your higher and standard levels. Please note that any Higher Level or Standard Level mathematics course is an acceptable prerequisite for programs that require math. You should ensure that your predicted scores are submitted using the seven-point scale. You are eligible to receive a maximum of 2.0 credits for grades of 5 or better on higher level courses.

**Ontario high school applicants:** Ontario high school students registered in an IB program will automatically have their IB courses converted into Ontario U- and M-level equivalents. IB scores will be converted into percentage grades by your high school. Admission and scholarships will be determined using the conversions as submitted. You are eligible to receive a maximum of 2.0 credits for grades of 5 or better on higher level courses.

How to Apply at ouac.on.ca

Ontario High School Applicants

1. Check admission requirements
Verify your admission requirements for your program of interest on page 42.

2. Apply online by the deadline
Go to the Ontario Universities’ Application Centre (OUAC) website, ouac.on.ca, to complete your 101 application by January 15, 2021 for early consideration. The OUAC website provides you with video tutorials about how to apply, FAQs and other resources.

Getting started
You will be given an OUAC PIN from your guidance counsellor to use when applying online.

If you select more than one program at UofGH
If you apply to more than one program at the University of Guelph-Humber, you will be considered for all programs to which you apply.

Check your email!
Shortly after you apply, you will receive a confirmation email from the University acknowledging your application and linking you to more information about what comes next.

Offers of admission
If you receive an offer of admission, the offer will appear on your OUAC account and you will receive an email and offer package in the mail from the University. To accept your offer, do so online at ouac.on.ca by June 1, 2021.

All Other Applicants

1. Check admission requirements
Verify your admission requirements for your program of interest based on your applicant type.

2. Apply online by the deadline
Go to the Ontario Universities’ Application Centre (OUAC) website, ouac.on.ca, to complete your 105 application by the respective deadline. The OUAC website provides you with video tutorials about how to apply, FAQs and other resources.

Getting started
You will create a user profile on ouac.on.ca to start the application process.

If you select more than one program at UofGH
If you apply to more than one program at the University of Guelph-Humber and you have never attended postsecondary studies, you will be considered for all programs to which you apply.

If you are a transfer applicant (i.e., have attended any postsecondary study) and you apply to more than one program at the University of Guelph-Humber, you can expect to receive only one offer of admission from the University. The highest ranked choice will be considered first. Only in the event that you are not admissible to your highest choice will your next choice be considered. If you want to reorder your UofGH program rankings, please amend your application on the OUAC website.

Check your email!
You will receive a confirmation email and a login and password to WebAdvisor, our online student administration system. Your WebAdvisor account lists the documents we require for admission consideration and the submission deadlines.

Transcripts and other documents
You will be required to submit transcripts and other documents. Check your WebAdvisor account for details.

Offers of admission
If you receive an offer of admission, the offer will appear on your OUAC account and you will receive an email and offer package in the mail from the University. To accept your offer, do so online at ouac.on.ca by the deadline in your offer letter.
Ontario High School Applicant Admission Requirements

To be considered for admission, you must:

> Be a full-time student completing your Ontario Secondary School Diploma (OSSD) in 2020–21, and
> Be completing six 4U/M courses, including the subject requirements noted in the chart below. These will be used to calculate your admission average.

Note: (a) The non-academic component of 4U/M co-op courses is not considered for admission requirements. (b) Courses valued at 1.5 credits or greater will be considered equivalent to one credit. (c) The University will only accept courses approved by the Ministry of Education. We accept online courses approved by the Ministry of Education.

*New name for Media Studies pending Senate approval.

Grades: Your grades will automatically be sent to the University as data is received by the OUAC.

Student Profile (optional supplemental information): The Student Profile (SP) is your opportunity to tell us about factors that may have impacted your grades. If your admission average does not meet the cut-off for the program to which you have applied, your SP may be considered if your average is within a discretionary range of the determined cut-off range (up to 5%). If you have an admission average of 70–74.9%, it is strongly recommended that you submit a SP to be considered for admission. Profiles must be completed online at guelphhumber.ca/futurestudents and are due May 1, 2021.

Supplementary Information Form for Students with Disabilities (optional supplemental information): The University of Guelph-Humber strives to provide equal opportunity for academically qualified students with disabilities. If you believe that your admission average does not reflect your true academic ability as a result of a disability, you are encouraged to complete the Supplementary Information Form for Students with Disabilities (SIF-D) available online at guelphhumber.ca/futurestudents. If your admission average does not meet the cut-off for the program to which you have applied, your SIF-D may be considered if your average is within a discretionary range of the determined cut-off range (up to 5%). If you have an admission average of 70–74.9%, it is strongly recommended that you submit a SIF-D to be considered for admission. The deadline is May 1, 2021.

Transfer Applicant Pathways

Explore our transfer pathways for applicants with previous college or university education. All of our offers of admission include a Transfer Credit Assessment so you know at the time of acceptance how much transfer credit you will receive.

For a complete breakdown of program information and deadlines, please visit guelphhumber.ca/futurestudents or request a copy of our 2021 Transfer Applicant Guide.

College Block Credit Transfer Pathways

Our college block credit transfer pathways allow you to move seamlessly with your college diploma into our honours degree programs. Please view the chart below to determine which diplomas will reduce your time towards your degree!

This is a great option if:

> You are in your final year of diploma completion or have a completed diploma from an Ontario college, and
> Your diploma is granted by a recognized institution, and
> You have a minimum cumulative average of 75%
