Glenn Hanna (con't)

...academic, uh...

Glenn Hanna (con't)

...education, but at the same time...

Glenn Hanna (con't)

...saying to the students, here is how this theory, uh...

Glenn Hanna (con't)

...works in the real world.

David Danto:

So this is something that to me was really unique, uh, treating equally, uh, success if a student wants to go on to graduate school and success immediately following graduation and going into the workforce.

Glenn Hanna:

This is, it's, it's...

Glenn Hanna (con't)

...it's absolutely encapsulated in its DNA...

Glenn Hanna (con't)

...this marriage of theoretical and applied.

## AUDIO

Daniel Santa Mina (voice over):  
And I remember thinking that this is what was missing from...

Daniel Santa Mina (con't)  
...conventional curriculums. We were missing the integration of the applied and the theory within one program.

David Danto:  
The fact that students are encouraged...

David Danto (con't):  
...to get hands-on experience, uhm, and live out...

David Danto (con't):  
...the theory that they read about in their textbook, really ends up creating, uhm...

David Danto (con't):  
...a very unique experience.

Glenn Hanna:  
This institution really is a community...

Glenn Hanna (con't)  
...it's a community where everybody knows everybody, your faculty know you...

Glenn Hanna (con't)  
...you know your faculty, and everybody seems to get along.

Glenn Hanna (con't)  
It's a friendly place.
