Graduated 2018
Kinesiology

“ Taking the Kinesiology program at Guelph-Humber was one of my best decisions. The program provides practical information and allows you to practise knowledge translation through placement opportunities and research projects. There is no denying the degree + diploma combination makes you stand out because the labs and placements add to your academic learning. Looking back, I really appreciate the hands-on skills we covered that introduced me to techniques and skills that I use regularly with patients to this day.”

- Completing a Master of Science in Physical Therapy, University of Toronto
- Interested in becoming a licensed Physiotherapist
- Transferred with a Fitness and Health Promotion diploma, Humber

College Block Credit Transfer Applicants

Our college block credit transfer pathways allow you to move seamlessly with your college diploma into our honours degree programs. Please view the chart on page 4 to determine which diplomas will reduce your time towards your degree!

Are you eligible for this pathway?

If you are in your final year of diploma completion or have a completed diploma and your diploma is listed in the chart on page 4, then you are eligible to receive a block of predetermined transfer credit. The diplomas listed in the chart have been determined to have academic alignment with a University of Guelph-Humber program and have met specific high school subject admission requirements. Diplomas must be granted by a recognized institution.

Transfer credit

Please refer to the chart (page 4). Note:

- Approximately one year of full-time study or 10 courses are equivalent to **5.0 credits**
- Approximately two years of full-time study or 20 courses are equivalent to **10.0 credits**

Your transfer credit will be determined once you apply. An official Transfer Credit Assessment will be included with your Offer of Admission.

Admission requirements

Applicants require a minimum cumulative average of 75% for admission consideration.

All programs have an estimated cut-off cumulative average of 75%. Exact cut-offs for the current cycle will be determined by the quantity and quality of applications received and the number of places available in the respective program. Possession of a cumulative final average at or above the estimated cut-off does not guarantee an offer of admission.

Vulnerable Sector Screening

If your program has a placement component that begins in your first semester at the University, it is important to note that you may be required to complete a Vulnerable Sector Screening/Check before your placement begins. Please visit guelphhumber.ca/placements for additional details or speak with us.

General Transfer Applicants

If you have previous postsecondary education and are not eligible as a College Block Credit Transfer applicant, you are considered a General Transfer Applicant.

Coming from a diploma program

If you have completed coursework or a diploma from a college diploma program, you must have a minimum cumulative average of 75% to be considered for admission.

Coming from a degree program

If you have completed a degree or degree-related coursework from a recognized college or university program, you must have a minimum cumulative average of 70% to be considered for admission.

Note: Possession of the minimum requirements for entry does not guarantee admission.

Transfer applicants with international credentials, please email international@guelphhumber.ca.

Programs

We offer six full-time programs to general transfer applicants:

- **Business**, page 13
- **Community Social Services**, page 14
- **Early Childhood Studies**, page 14
- **Justice Studies**, page 15
- **Media and Communication Studies**, page 15
- **Psychology**, page 16

Course sequencing for our programs is very structured each semester. Although you may receive transfer credit towards your degree, a required course may not be offered until a specific semester, which may result in a longer degree completion time.

Our Kinesiology program is only available to transfer applicants with a recognized block credit college diploma (see page 9).

Transfer credit

Once you apply, your completed postsecondary coursework will be assessed on a course-by-course basis and credit awarded where applicable. An official Transfer Credit Assessment will be included with an offer of admission.

Transcripts, in addition to course syllabi and other supporting documents, will be evaluated at the time of admission to determine potential transfer credit.

Subject requirements

Please visit guelphhumber.ca/futurestudents/general-transfer-apply for a list of specific subject requirements and college course equivalents.

Vulnerable Sector Screening

Depending on your Transfer Credit Assessment, the placement component of your program can begin as early as your first semester at the University. You may be required to complete a Vulnerable Sector Screening/Check before your placement begins. Please visit guelphhumber.ca/placements for additional details or speak with us.

Study online

Our part-time program options are designed to make it easy for professionals to earn their degree online while maintaining a work/life/study balance.

Advantages of online learning include:

► Flexibility and convenience

Online courses are designed with flexibility in mind. There are no scheduled classes to attend, so you can take advantage of studying at a time and place that is convenient for you, from anywhere in the world. Whether you are in Thunder Bay or the GTA, all you need is a computer and a reliable internet connection.

► Interactive courses

A team of instructional design and technical specialists work closely with disciplinary experts to develop online courses. Course designs meet rigorous quality standards to create interactive and engaging learning experiences.

► Supportive community

Courses are designed to encourage you to be part of a community of learners and build relationships with your peers through technologies that support online discussions and group work.

► Access to materials

Online courses allow you to access the course material at any time. This means you can refer to material as needed and have more time to review course information and concepts.

► Communication skills

Expertise in online communication, technology use and online research are valuable skills to have in today's workplace. Studying online can build these important skills as you work toward your degree.

Community Social Services

Earn an Honours BASc: Study part-time online to earn your Honours Bachelor of Applied Science in Community Social Services from the University of Guelph. Graduates will also earn a Social Service Worker diploma from Humber that represents new learning from our degree + diploma program.

Research? Law school?

Study abroad

Learn, explore the world and earn credit.

International Field Study

Choose to make the world your classroom for this elective course.

- Professor-guided study tours (trips take place in May/June)
- Experience concepts discussed in class
- Partially subsidized by the University, the opportunities are within reach
- You may also be eligible for a travel grant of **\$1,500 to \$2,500**

Past highlights include:

- ▶ Going to outdoor classrooms in Odense where children interact with nature: an example of Denmark's unique contribution to child development
- ▶ Learning about Soka education—a philosophy of well-being and global citizenship in Japan
- ▶ Exploring the interplay between sport, health and culture in New Zealand's Australasian society
- ▶ Understanding freedom of speech through the examples set in the Netherlands and Denmark
- ▶ Heading to the Galápagos Islands and inland Ecuador to study “eco-psychology”—the attitudes, perceptions and behaviour of people toward the environment

Competitions and conferences

Make an impact and gain hands-on experience through competitions and conferences. Our alumni will tell you, it's easy to get involved at UofGH, and being involved gets you out in the field meeting professionals, using your skills, honing your talents and earning recognition.

Agora Fellowship

Be a part of the Agora Fellowship: a select group of students who discuss ideas and themes from renowned books in a regular forum led by Dr. George Bragues. Build your extracurricular experience. Every year the Fellowship takes a trip related to their current topics; destinations have included Boston, Montreal, New York and Washington.

Soka Education Research Centre on Global Citizenship

Join a global undergraduate research project—the first of its kind in the world—led by Community Social Services Program Head Dr. Paul Sherman. Explore how to nurture human potential and happiness for the greater benefit of humankind through the study of Soka (value creating) education and global citizenship. Travel as a Research Assistant to present study results at professional symposiums.

Undergraduate research

The University's Research Grant Fund provides University professors/instructors with financial support for new research. Students are hired as research assistants—a rare undergraduate opportunity. Through these assistantships, you are able to apply classroom knowledge, while also developing skills in conducting experiments, research and data collection. You may also have the opportunity to contribute to research publications.

A future in law

After graduation, take advantage of our partnerships to study law in England. Earn a senior status law degree (LLB) with The City Law School in just two years, or a Master of Law (LLM) through distance learning with the University of London in one to five years (full- or part-time).

- No LSAT
- Reduced tuition

Toronto Location

 207 Humber College Blvd.

In the centre of it all

The University of Guelph-Humber is located in Toronto on Humber's North Campus (Highway 27 and Humber College Boulevard). Surrounded by Toronto, Vaughan, Brampton and Mississauga, we're at the heart of the GTA community.

Our Toronto location works to your advantage. Attending university in Canada's cultural, economic and business centre will play an important role in your program opportunities, including your placement and access to employers. Your choices for recreation off campus are unlimited, with large- and small-scale facilities and venues for sports, festivals, music, theatre and art.

Commute to campus

By transit

Arrive steps from our front door via Brampton/Züm, Mississauga, Toronto or York Region/VIVA transit buses. Ten routes that cross the GTA stop in the transit terminal on campus.

For transit information, visit:

- Brampton: brampton.com
- Mississauga: miway.ca
- Toronto: ttc.ca
- York Region: yrt.ca

GO Transit does not directly access campus but may be part of your commute; visit gotransit.com for trip planning assistance.

By car

The campus is easy to reach from Highways 407 and 409 (east/west) and 427 and 27 (north/south).

Parking is pay per use or you can purchase a permit. Spaces are limited. For more parking details, visit guelphhumber.ca/futurestudents.

Live in residence

Looking to live on campus? If you have an offer of admission, you are eligible to apply for residence. Residence operates on a first-come, first-served basis; therefore, you are encouraged to apply as soon as you receive an offer of admission.

Why you want to live in residence:

- As a first-time resident your room will be single style
- A two-minute walk from the University
- Choose from themed floors, such as co-ed, health and wellness or extended study
- Choose your dining plan (three sizes available)
- Dining plans accepted at the residence dining hall and food service outlets across campus
- Two community kitchens can be used for cooking at home
- Wi-Fi in all rooms
- Laundry in the building
- Many social events

Please refer to page 25 for residence costs.

Details about the online application will be included with an offer of admission. More details are available at guelphhumber.ca/futurestudents/living-commuting.

How to Apply

Apply online

Applications must be submitted through the Ontario Universities' Application Centre (OUAC) website, ouac.on.ca.

Choose your program

If you are applying for a program that is offered in more than one format (i.e., full-time on campus or part-time online), please ensure that you select the correct OUAC code for your chosen format. See chart below for OUAC codes.

Rank your preference

If you apply to more than one program at the University of Guelph-Humber, you can expect to receive only one offer of admission from the University. The highest ranked choice will be considered first. Only in the event that you are not admissible to your highest choice will your next choice be considered. If you want to reorder your UofGH program rankings, please amend your application on the OUAC website at ouac.on.ca.

English language requirements

If your first language is not English, or if you have completed less than four years of study in English at the secondary (or postsecondary) level, then you are required to submit proof of English proficiency. Please refer to the chart (below) for acceptable tests and scores. Test results must be less than two years old prior to your application.

You will receive an email with detailed instructions (after you apply) if you are required to demonstrate English proficiency as part of your application.

Test	Minimum Required Score
CAEL	Language Assessment minimum overall band score of 70.
Cambridge English	C1 Advanced and C2 Proficiency. Minimum overall score of 176 with no band less than 169.
Duolingo English Test	Minimum overall score of 110. Individual subscores may be considered.
IELTS	Minimum overall score of 6.5 with no band less than 6.
PTE	Minimum overall score of 60 with no score less than 60 in the individual components.
TOEFL	Internet-based: minimum total score of 89 with no individual scaled score less than 21. Computer-based: minimum score of 250. Paper-based: minimum score of 600. Test of Written English: with a score of 5. Institution code is 0892.

Successful completion of the University of Guelph, Open Learning Advanced Level of the English Language Certificate Program (levels 9 and 10) is considered an acceptable form of proving your English proficiency. Visit guelphhumber.ca/futurestudents/english-language-requirements for details.

Submit documents

Once we've received your application, we will email and mail you your account login and password to WebAdvisor, our online student administration system. Use WebAdvisor to check what documents are required. Below is a general list as a guide for applicants.

► Official transcripts (required)

You must request all Ontario college/university (in-progress and final) transcripts and high school transcripts online through the OUAC. A service fee does apply. Visit ouac.on.ca for details. We encourage you to send interim transcripts as early as possible to assist with your admission consideration. Applicants outside Ontario may request the originating institution(s) send digital transcripts to admissions@guelphhumber.ca.

► Education Declaration (may be required)

A form, available through your WebAdvisor account, to document your academic history. You will be notified if we require this form on your WebAdvisor account.

► English proficiency results (if applicable)

See "English language requirements".

► Detailed course syllabi (may be required)

You will be notified if we require syllabi for transfer credit assessment purposes.

► Supplemental information (optional)

Any additional documents you wish to submit to support your application outlining circumstances that may have impacted your academic performance.

Please submit all official required documents by the respective document deadline. Once all required documents are received, your application will be reviewed for admission. You are encouraged to apply and submit all required documents as soon as possible. Applications and documents received after the deadline will be considered if space is available.

Documents should be emailed to

admissions@guelphhumber.ca.

Please note: Documents submitted in support of an application become the property of the University and will not be returned. Documents are protected under Ontario provincial privacy legislation.

Admission decision

Applicants to most programs can expect to receive a decision approximately three to six weeks following the submission of all required official documents. Applicants to Community Social Services, Early Childhood Studies, and Justice Studies can expect to receive an admission decision in June 2022.

If you receive an offer of admission, the offer will be posted to your WebAdvisor and OUAC accounts, you will receive an email notification and an offer package will be sent to you by mail.

Your offer

Your offer package will include: an official Offer of Admission from the University of Guelph-Humber, scholarship details, your Transfer Credit Assessment, a program plan and information on how to apply for residence online. You can accept your offer of admission at ouac.on.ca up to the deadline indicated in your offer letter.

Transfer Credit Assessment

Your Transfer Credit Assessment is an official document that outlines the credit you will receive from courses completed at other postsecondary institutions towards your credentials earned at the University of Guelph-Humber.

Land Acknowledgement

The University of Guelph-Humber and Humber College are located within the traditional and treaty lands of the Mississaugas of the Credit. Known as Adoobiigok, the “Place of the Black Alders” in the Michi Saagiig language, the region is uniquely situated along the Humber River Watershed, which historically provided an integral connection for Anishinaabe, Haudenosaunee, and Wendat peoples between the Ontario lakeshore and the Lake Simcoe/ Georgian Bay regions. Now home to people of numerous nations, Adoobiigok continues to provide a vital source of interconnection for all.
