## Alumni Spotlight: B. Dunlop

"I enrolled at GH with the sole intention of sitting on a sports news desk one day. I learned the skills to do that, and developed a love of writing that eventually led to co-writing the autobiography of one of my favourite athletes."

## Fall 2021/Winter 2022 FAQ

### How are grade 11 marks being used this year in admission?

Where the six 4U/M courses, including subject requirements, are not available, we will use completed or in-progress 4U/M and completed 3U/M courses.

### Will offers be impacted by the quad/octomesters?

We will continue to use grade 11 courses to supplement the required courses through to the final round of offers in May. All offers are conditional upon the completion of required courses by the time final grades are submitted.

### When will you begin sending offers of admission?

Offers are sent on an ongoing basis from December until the end of May, and applicants are assessed throughout those months (see full chart at [guelphhumber.ca/futurestudents/high-school-ON-apply](https://guelphhumber.ca/futurestudents/high-school-ON-apply)).
