Please contact us if there is any way we can support *you*.

We wish you a safe, restful and joyous holiday break and look forward to connecting with you again in 2023!

Student Success: Lauren A.

“Being chosen as a Founders’ recipient can only be described as life changing. It meant I wouldn’t have to work so much and could instead focus my time on studying, learning and experiencing. It also proved that my volunteer work did not go unnoticed and is appreciated.”

Community Social Services (CSS) Adds Areas of Emphasis

New this fall, students entering the CSS program can choose to complete one of two areas of emphasis (AOE) as part of their regular curriculum: **Mental Health and Addictions** or **Youth and Families**.

Choosing an AOE will focus studies even more, and students can start taking AOE courses as early as their first year (winter semester).

Fall 2022/Winter 2023 FAQ

Do you offer early admission?

Offers are sent on an ongoing basis from December until the end of May, and applicants are assessed throughout those months (see full chart at guelphhumber.ca/futurestudents/high-school-ON-apply).

Do you accept repeated courses, summer school, night school and correspondence?

The University will use the highest grade reported for grade 12 courses taken at a Ministry-approved school prior to June 2023, regardless of format.

How are grade 11 marks used in admission?

Where the six 4U/M courses, including subject requirements, are not available, we will use completed or in-progress 4U/M and completed 3U/M courses.
