

UNIVERSITY OF
GUELPH
HUMBER

TORONTO, CANADA

2024 International
Applicant Guide

more in
4 years

We Acknowledge

The University of Guelph-Humber and Humber College are located within the traditional and treaty lands of the Mississaugas of the Credit. Known as Adoobiigok, the “Place of the Alders” in the Michi Saagig language, the region is uniquely situated along the Humber River Watershed, which historically provided an integral connection for Anishinaabe, Haudenosaunee, and Wendat peoples between the Ontario lakeshore and the Lake Simcoe/Georgian Bay regions. Now home to people of numerous nations, Adoobiigok continues to provide a vital source of interconnection for all.

The University is a 40-minute drive from downtown Toronto.

3 million people in the City of Toronto

One of the most multicultural cities in the world

More than 200 languages are spoken by residents

3rd largest tech hub in North America

UofGH is 10 minutes from Pearson International Airport

Toronto is a dynamic place to live and learn.

The University of Guelph-Humber is conveniently located in Toronto, Ontario, Canada, which offers you access to a diverse and economically thriving city.

The Greater Toronto Area is home to seven million people, one-sixth of Canada's population; nearly half of that population is made up of residents from around the world.

Attending university in Canada's cultural, economic and business centre will play an important role in your program opportunities.

Explore Toronto and get to know its neighbourhoods! Visit tourist attractions, including the CN Tower, Royal Ontario Museum, Ripley's Aquarium of Canada, Kensington Market, Scotiabank Arena, Black Creek Pioneer Village, Art Gallery of Ontario, Toronto Zoo, St. Lawrence Market, Distillery District and Niagara Falls.

Where else can you experience festivals celebrating food, music and people from other countries within a few city blocks? Explore and enjoy the sports, music, theatre and art scenes within the city.

Toronto, Ontario, Canada

Choose the University of Guelph-Humber

Workplace experience

Every program at the University of Guelph-Humber focuses on academic theory and practical skills, including workplace experience built into your program.

Expert faculty

Our professors teach and continue to be involved in their field to offer you current perspectives and knowledge, and connect you to professionals. Our small classes allow you to interact with your professors in or outside of class time to get your questions answered and help when needed.

Community

With only 4,900 students at the University, you'll be a part of a close-knit group of students, staff and professors. Our average class size is 40 students. You'll be recognized on campus and welcomed!

Support

As an international student, far from home, there are many adjustments for you in addition to starting university studies. You have a team of people here for you, and our small size makes it easy for you to get the support you need, when you need it.

Who We Are

The University of Guelph-Humber is one institution that combines all the best things about a university and a college in Canada.

University of Guelph-Humber

The University of Guelph-Humber was the first in Ontario to offer an opportunity to earn both a university honours degree and diploma in four years in one location when UofGH opened its doors in 2002. A collaboration between the University of Guelph and Humber College Institute of Technology & Advanced Learning, UofGH was founded on the principle of integrating experiential learning opportunities into the traditional academic curriculum. Providing workplace experience for every student is a core component of every program.

You study in one location, the University of Guelph-Humber building on Humber's North Campus. In your four years of study, you will earn an honours degree from the University of Guelph and a diploma from Humber because the curriculum employs the learning that leads to each of these postsecondary accomplishments, concurrently.

University of Guelph

The University of Guelph is a leading comprehensive, research-intensive and learner-centred university.

U of G's students, faculty and staff pursue active inquiry and exercise creativity across a range of disciplines: physical and life sciences, business, arts and humanities, and social, agricultural and veterinary sciences. With nearly 30,000 students, 16 undergraduate degree programs and a \$175-million research enterprise, it is known for excellence in the arts and sciences and for its commitment to developing exceptional thinkers and engaged citizens.

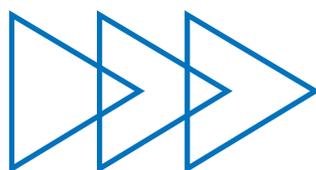

Having established itself as Canada's Food University, the University of Guelph puts knowledge into action and develops the whole student.

Humber College Institute of Technology & Advanced Learning

Opportunity. Partnership. Support. At Humber College, we bring it all to more than 86,000 learners, in person and online. As a global leader in polytechnic education, Humber provides in-depth theoretical learning, hands-on, work-integrated experiences and applied research opportunities to students at three main Toronto locations and beyond.

Extensive industry connections, experienced faculty and a comprehensive range of credentials, including honours undergraduate degrees, Ontario graduate certificates, diplomas, apprenticeships, and certificates prepare career-ready global citizens for success in the future world of work.

Humber takes pride in their alumni success and are with you all the way.

Graduate with Experience

Being an expert in your field means not only understanding the academics but also the hands-on application of your knowledge.

**100 to
800 hrs**
of workplace
experience

Workplace experience

Every honours bachelor's degree has required work placement hours that are built into your regular course of study. You'll be supported by your Field Placement Coordinator to help with your success. This ensures you will graduate with workplace experience that will guide your career decisions.

Undergraduate research opportunities

If research interests you, get to know the many research opportunities inside and outside of class. Get paid to conduct research as a Research Assistant with faculty funded by the University's Research Grant Fund.

- Apply classroom knowledge
- Develop skills in conducting lab research and data collection
- Contribute to research publications

Hands-on learning

Each program has unique courses and labs that engage you in practical study, in class, to apply your knowledge and gain professional skills in your field.

Study tours

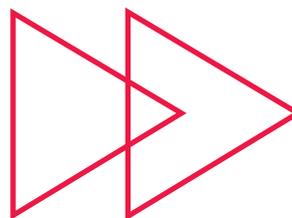

Through instructor-guided study tours to domestic and international destinations, you experience concepts discussed in class. Because all study tours are partially funded by the University, the opportunities are within reach.

A step ahead

After graduation, take advantage of our partnerships for further education:

- LLB with The City Law School (London, England)
- LLM with University of London (distance learning)
- MSc in Management with the University of Guelph (Guelph, Ontario)

Business

HONOURS BACHELOR OF BUSINESS ADMINISTRATION

DIPLOMA IN BUSINESS ADMINISTRATION

Sample careers and further education

- Chartered Financial Analyst (CFA)
- Chartered Professional Accountant (CPA)
- Management Consultant
- Marketing Manager
- Master of Business Administration
- Master of Science in Management
- Master of Marketing
- Master of Finance
- Law School

Note: Some careers and entry into further education may require additional study.

Workplace experience

Up to **520 hours** (minimum 100 hours) of workplace experience is required of every student.

Past placements include:

- Ernst & Young
- Coca-Cola
- IBM
- Universal Music Group
- City of Toronto

Focused academic program

Learn how business works, how to market goods, fund a business, lead others, work ethically, think big or small and collaborate, but most of all build transferable skills for success wherever you work.

Custom design your studies with the fundamentals of business and then complement this with subjects that match your interests and goals. You can be as broad or specific as you want in **one of six areas of emphasis:**

- Accounting
- Finance
- International Business Management
- Marketing
- Small Business Management and Entrepreneurship

Courses include

- Business Law
- Marketing
- International Business
- Human Resources Management
- Negotiation in Business
- Money, Banking & Finance

Start dates

January 2024 or September 2024

“I chose Guelph-Humber because I liked the idea of the dual-credential program where one can get a degree as well as a diploma in just four years of study. My classes are very interactive so I am easily able to connect with my peers and faculty. After graduation, I plan to pursue a career in investment banking.”

NANDINI B.
Business, current student
Originally from India

Community Social Services

HONOURS BACHELOR OF APPLIED SCIENCE IN COMMUNITY SOCIAL SERVICES

SOCIAL SERVICE WORKER DIPLOMA

Sample careers and further education

- Addictions Coordinator
- Community Support Worker
- Crisis Counsellor
- Family Support Coordinator
- Hospice Support Worker
- Intensive Behaviour Therapist
- Mental Health Worker
- Residential Youth Worker
- Social Worker
- Bachelor of Social Work
- Master of Social Work
- Bachelor of Education
- Master of Arts in Public Policy & Administration
- Master of Arts in Critical Disability Studies
- Law School
- Master of Education in Counselling Psychotherapy

Note: Some careers and entry into further education may require additional study.

Workplace experience

You are required to complete close to **800 hours** of supervised workplace experience.

Note: You will be required to complete a Vulnerable Sector Screening prior to each placement.

Focused academic program

Explore current social issues and understand the challenges faced by vulnerable populations so you can learn how to deliver impactful services, such as counselling and mediation. Build strong clinical skills that exceed the industry standard for undergraduate education. Learn basic communication competencies to more in-depth therapeutic interventions while gaining the transferable skills needed to improve lives and change society.

You may choose to focus on one of two areas of emphasis: **Mental Health & Addictions** or **Youth & Families**.

Courses include

- Social Work in Canada
- Issues in Advocacy & Social Justice
- Mental Health & Addictions
- Spirituality in Social Work Practice
- Counselling
- Crisis Intervention

Early Childhood Studies

HONOURS BACHELOR OF APPLIED SCIENCE IN EARLY CHILDHOOD STUDIES

DIPLOMA IN EARLY CHILDHOOD EDUCATION

Sample careers and further education

- Play Therapist
- Speech & Language Pathologist
- Autism Therapist (IBI/ABA)
- Child & Family Therapist
- Children's Rights Advocate
- Family Support Supervisor
- Research & Policy Analyst
- Master of Education
- Master of Science in Child Life & Pediatric Psychosocial Care
- Master of Social Work
- Master of Arts in Child Study & Education

Note: Some careers and entry into further education may require additional study.

Focused academic program

Become a professional who helps children grow to the best of their ability by understanding their neurodevelopment and their interaction with the world. Explore the science of early childhood development. Our program encompasses education and therapeutic skills with an emphasis on the role of technology and mental health in children's lives.

Understand the world of the child, including the impact of love and connection in children's lives. Utilize empathy, compassion, creativity and play to find your way to change the world.

Workplace experience

You are required to complete up to **800+ hours** (minimum 600 hours). Placement starts in your first year!

Note: You will be required to complete a Vulnerable Sector Screening, documentation of immunization and a First Aid/CPR certificate prior to placement.

Courses include

- Infant & Toddler Development
- Children with Exceptionalities
- Curriculum Development
- Assessment & Intervention
- Mental Health & Trauma
- Advocacy & Leadership

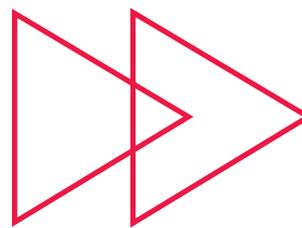

“What attracted me to the ECS program is my love of working with children. Guelph-Humber allowed for a more intimate learning environment with smaller classrooms, making class discussions and interactions with the professors much less intimidating. My future career aspiration is to become a certified Teacher in Canada.”

STEFFI D.
Early Childhood Studies, current student
Originally from Trinidad & Tobago

Justice Studies

HONOURS BACHELOR OF APPLIED SCIENCE IN JUSTICE STUDIES

DIPLOMA IN COMMUNITY AND JUSTICE SERVICES OR POLICE FOUNDATIONS

Sample careers and further education

- Anti-terrorism Analyst
- Corporate Investigator
- Crime Analyst
- Anti-money Laundering Investigator
- Research Analyst
- Master of Arts in Criminology & Criminal Justice Policy
- Law School
- Master of Public Administration
- Master of Arts in Political Science

Note: Some careers and entry into further education may require additional study.

Focused academic program

Throughout your four years, you will be exposed to the Canadian justice system. Studies include social justice issues, diversity, inclusion and equity and globalization. Justice is a broad field and your curriculum reflects that, ensuring multiple career pathways are open to you.

Prepare for law school. Join the Pre-law Society to participate in mooting competitions. Select a placement in a law office or perhaps the Crown Attorney's Office. Take advantage of sessions about LSAT and applying to law school.

Our student-led, justice-focused extracurriculars are outstanding hands-on experience! Work with justice professionals, get exposure to real-life justice matters and build important transferable skills.

- Alpha Phi Sigma (Criminal Justice Honour Society)
- Pre-law Society
- Case competition teams
- Innocence Canada partnership

Workplace experience

Unique to our justice program, you are required to complete at least **200 hours** of community service placements in your second and third years, experiencing two justice agencies/organizations.

Note: You may be required to complete a Vulnerable Sector Screening and/or Criminal Reference Check prior to placement.

Courses include

- Crime & Criminal Justice
- Forensic Techniques
- Conflict Resolution
- Community Building Practices
- Investigative Techniques
- Ethics & the Justice System

Kinesiology

HONOURS BACHELOR OF APPLIED SCIENCE IN KINESIOLOGY

DIPLOMA IN FITNESS AND HEALTH PROMOTION

Sample careers and further education

- Registered Kinesiologist*
- Clinical Exercise Physiologist*
- Certified Pedorthist*
- Rehabilitation Therapist
- Master of Science in Physical Therapy
- Master of Science in Occupational Therapy
- Master of Arts in Health Promotion
- Bachelor of Nursing
- Master of Science
- Master of Public Health
- Chiropractic College
- Medical School

Note: Some careers and entry into further education may require additional study.

*Professional designations

Workplace experience

You are required to complete **87 or 241** placement hours during your final two years. All students have an on- and off-campus placement in third year. In your fourth year, choose either (a) an off-campus placement and an independent research study or (b) complete a research thesis project in a lab setting.

Note: You will be required to complete a First Aid/CPR certificate and may be required to complete a Vulnerable Sector Screening and documentation of immunization prior to placement.

Focused academic program

Learn how the body works and how to make it work better. Learn about health issues, injuries and illness. Develop a strong scientific and theoretical background and apply this knowledge to healthy populations, elite athletes, individuals with chronic diseases and people with physical challenges.

Confidently apply your knowledge in any environment, such as health promotion, fitness, rehabilitation, coaching and research. In the first two years of the program, you learn the fundamentals of the human body, structure and function. In the third and fourth years, your courses focus on performance and clinical applications of exercise and nutrition theory, and health and fitness assessment.

Courses include

- Human Anatomy
- Biochemistry & Metabolism
- Exercise Physiology
- Biomechanics
- Research Methods
- Motor Learning & Neural Control

“I chose to study at the University of Guelph-Humber because the Kinesiology program incorporates multiple learning styles and applied techniques into four years, as well as workplace experience. My favourite thing about Toronto is the diversity. There is so much representation and support from every community, which allows for a greater understanding of the world.”

CHRYSANTHE N.
Kinesiology, current student
Originally from the United States

Media and Communication Studies

more
in

**HONOURS BACHELOR OF APPLIED ARTS
IN MEDIA AND COMMUNICATION STUDIES**
+
DIPLOMA IN MEDIA COMMUNICATIONS

Sample careers and further education

- Brand Manager
- Communications Coordinator
- Content Creator
- Media Buyer/Analyst
- Publicist
- Radio/TV Broadcaster
- Social Media Strategist
- Master of Arts in Communications

Note: Some careers and entry into further education may require additional study.

Workplace experience

After third year, you are required to complete **240 hours** of workplace experience.

Past placements include:

- Walt Disney Studios Canada
- Pepsi Co. Beverages
- Government of Canada
- SickKids Hospital

Courses include

- Ethical Issues in Media
- Social Media Issues
- Visual Communication & Design
- Digital Graphic Design
- Videography
- Client Relations
- Content Strategy

Focused academic program

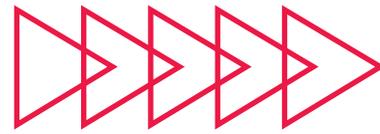

Today's media is what you listen to, watch, read, scroll and interact with—our program will teach you to create on all of today's platforms. But media in the 21st century transcends traditional and new technologies. It's the lifeblood of organizations from governments to charities to multinational corporations to local businesses. It's how they interact with audiences, influence opinion, win elections, sell products and—as it always has—help people learn about and live in the world.

Prepare for this world with a comprehensive education in the *how* of media—*how* to write, record, shoot, design and create content. And learn the *whys* behind the *hows*: *why* ethics are important. *Why* objective reporting is a cornerstone of democracy. *Why* social media is so influential—and so controversial. And *why* regulations, copyright and privacy are important.

You'll acquire the tools you need to carve out your unique place in this exciting landscape.

Psychology

HONOURS BACHELOR OF APPLIED SCIENCE IN PSYCHOLOGY

DIPLOMA IN GENERAL ARTS AND SCIENCE

Sample careers and further education

- Behaviour Therapist
- Group Facilitator
- Psychologist
- Psychotherapist
- Masters/PhD in Psychology
- Medical School
- Master of Arts in Counselling Psychology
- Master of Science in Neuroscience

Note: Some careers and entry into further education may require additional study.

Workplace experience

In your third year you are required to complete at least **100 hours** of workplace experience.

Note: You may be required to complete a Vulnerable Sector Screening prior to placement.

Courses include

- Developmental Psychology
- Applied Memory & Learning
- Clinical Psychology & Mental Health
- Drugs & Behaviour
- Culture & Diversity
- Theories of Psychotherapy

Focused academic program

Examine theories and research exploring human thought, feeling and behaviour. Explore the processes and factors that shape who we become through the study of cognition, emotion and mental health.

A minimum of 70 percent of your core courses are psychology courses: they expose you to the breadth of psychology and all it offers. In your first year, you'll build the foundations for developing the characteristics, knowledge and academic skills for success.

You can choose to pursue one of three certificates (as part of your regular study) in years three and four:

- Intercultural Relations
- Organizational Behaviour
- Research Skills and Analysis

This program gives you a broad, but immersive dive into psychology offering you transferable skills and diverse career pathways. Understanding human behaviour makes you a valued asset to employers, in any role.

“I have always been fascinated by the workings of the human mind and behaviour. What attracted me to this program is the comprehensive curriculum that covers a wide range of topics, and the opportunity to gain hands-on experience through research projects and internships. Overall, I am excited about the prospect of obtaining a high-quality education in psychology from UofGH and fulfilling my lifelong passion.”

NAVEEN v.

Business Graduate

Completed high school in Canada and grew up in Dubai, UAE.

“Take advantage of the close-knit GH community to connect with other students and professors who have the professional experience and knowledge that you can learn from. At the risk of sounding cliché, get involved on campus. Join a society or work for one of the many university departments, you never know what doors may open in the future.

Stay open minded and ever ready to learn. When things get overwhelming, it can help to reflect on your journey so far.”

Study in Toronto

Explore your new home

You may be new to Toronto, but we know you will find friendly faces, familiar food and culture, and new friends to make your move welcoming and easier to transition. Our campus in northwest Toronto is surrounded by residential areas with cultural communities.

Toronto's ethnic neighbourhoods include:

- Chinatown
- Little Italy
- Little Portugal
- Greektown
- Koreatown
- Little India

Climate: The essentials

Get ready to enjoy four seasons. With Lake Ontario close by, much of our Toronto weather is milder than other areas of Ontario.

4 distinct seasons

Spring: mid-March to May
10°C to 20°C (some rain)

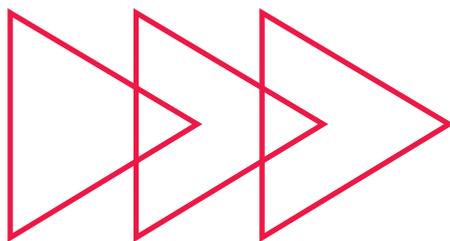

Summer: June to August
20°C to 30°C (humid)

Fall: September to November
7°C to 20°C

Winter: December to mid-March
-15°C to 2°C (snow, sunny)

Getting around

The University of Guelph-Humber is on Humber's North Campus in northwest Toronto.

Arrive steps from our front door. Buses from four different transit systems that cross the Greater Toronto Area stop in the transit terminal loop on campus and connect to major transit centres.

Coming soon: The Finch West LRT. More transit options!

Study & Co-op Permits

A Study Permit is required for anyone studying in Canada for longer than six months. You also need a Co-op Work Permit in order to complete the required workplace experience hours for your degree. Processing times vary per country. Please allow enough time to obtain both permits.

Please visit the Government of Canada, Immigration and Citizenship website, cic.gc.ca, to learn how to obtain a Study Permit and a Co-op Work Permit for your university education. Please become aware of global travel advisories and country entry requirements.

Post-Graduation Work Permit

After graduating from the University of Guelph-Humber, you can apply for a Post-Graduation Work Permit (PGWP), which may be issued for a duration equivalent to the length of your program or up to a maximum of three years.

For more information, visit:

canada.ca/en/immigration-refugees-citizenship/services/study-canada/work/after-graduation/about.html

Admission Requirements

Secondary School Applicants

To be considered for admission you must fulfill the three following criteria:

1. Program-specific subject requirements
2. Country-specific admission requirements or international certification requirements. The secondary school graduation certificate which would admit you to an internationally recognized university in your home country is normally acceptable for admission to the University of Guelph-Humber.
3. English proficiency requirements

Possession of the minimum admission requirements does not guarantee admission.

For all international admission details, visit guelphhumber.ca/futurestudents/international-apply.

Subject requirements

You should include among your senior level courses, the following subject-specific requirements at the advanced level.

Program	Subject Requirements
Business	<ul style="list-style-type: none"> • Senior level English • Senior level math*
Community Social Services	<ul style="list-style-type: none"> • Senior level English
Early Childhood Studies	<ul style="list-style-type: none"> • Senior level English
Justice Studies	<ul style="list-style-type: none"> • Senior level English
Kinesiology	<ul style="list-style-type: none"> • Senior level English • Senior level math* • Two senior level sciences: biology, chemistry or physics
Media and Communication Studies	<ul style="list-style-type: none"> • Senior level English
Psychology	<ul style="list-style-type: none"> • Senior level English

*If applying to Business or Kinesiology and you do not have senior level math, conditional offers can be made based on enrolment in one of the following math courses: MDM4U, MHF4U or MCV4U at www.ilc.org.

English proficiency requirements

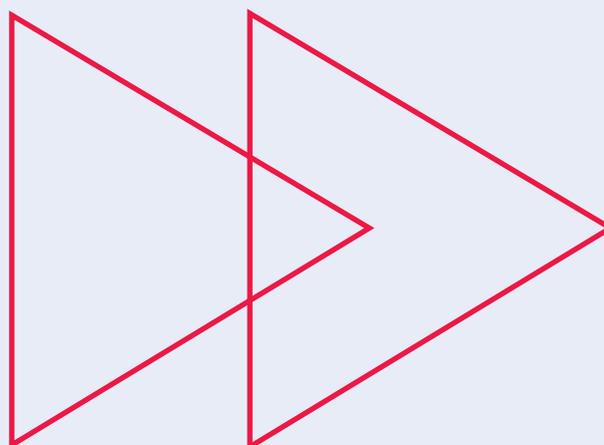

If your first language is not English, or if you have completed less than four years of study in English at the secondary (or postsecondary) level, then you are required to submit proof of English proficiency.

Please refer to the chart (below) for acceptable tests and scores.

You will receive an email with detailed instructions (after you apply) if you are required to demonstrate English proficiency as part of your application.

Accepted Test	Competence Level
CAEL	70 on Language Assessment
Cambridge English	C1 Advanced and C2 Proficiency. Minimum overall score of 176 with no band less than 169.
Duolingo English Test	110 (subscores may be considered)
IELTS (Academic)	6.5 with no band less than 6
PTE	Minimum overall score of 60 with no score less than 60 in the individual components.
TOEFL	Internet-based: minimum total score of 89 with no individual scaled score less than 21. Institution code is 0892.

Successful completion of the University of Guelph, Open Learning Advanced Level of the English Language Certificate Program (Levels 9 and 10) is considered an acceptable form of proving your English proficiency. Visit guelphhumber.ca/futurestudents/english-language-requirements for details.

Country-specific admission requirements

We welcome applications from a variety of international school systems in addition to those listed below. Find a complete list of country-specific requirements at guelphhumber.ca/futurestudents/international-credentials.

REQUIREMENTS FOR COMMON INTERNATIONAL CURRICULUM

American

You will be considered based on an unweighted cumulative GPA from a regionally accredited secondary school. Key admission requirements include:

- Minimum 2.7 GPA and individual subject requirements of your program of interest
- Advanced Placement (AP) courses will be considered, and successful completion of AP courses with exam results of 4 or more may qualify applicants for university transfer credit
- SAT/ACT scores optional

General Certificate of Education (GCE)

- Minimum of two Advanced Level passes and three GCSE or IGCSE (Ordinary Level) passes
- Two Advanced Subsidiary (AS) Level courses may be substituted for one Advanced Level course
- A minimum grade of 'B/C' or 6 grade on GCSE/IGCSE, AS and predicted Advanced Level examinations with a minimum of five unique subject areas

International Baccalaureate (IB)

- IB Diploma with six subjects: three Higher level (HL) and three Standard level (SL). Any HL or SL mathematics course is an acceptable prerequisite for programs that require math.
- Minimum score of 24 with reported bonus points taken into consideration
- IB applicants are considered for transfer credit, where applicable, to a maximum of 2.0 credits for grades of 5 or better on Higher Level courses where you have been awarded the IB Diploma or DP Course

Indian

- Class 12 Boards Exam Certificate is required and predicted scores will be used as available with a minimum average of 70%
- Early admission decisions can be made based on verified 10th Standard Board results accompanied by predicted Class 12 grades listed by subject from the school
- If applying to Business or Kinesiology and you do not have senior level math, conditional offers can be made based on enrolment in one of the following math courses: MDM4U, MHF4U or MCV4U at www.ilc.org

Transfer Applicants

As an applicant with previous postsecondary education, you will be evaluated based on completion of your secondary school credential and all completed postsecondary studies once your application and documents are received.

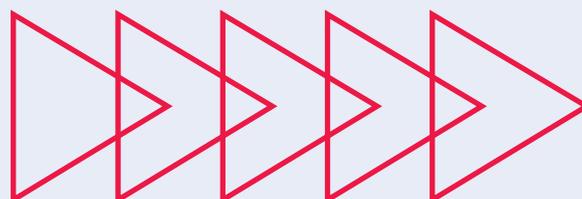

Please contact Admission Services to discuss your academic history and transfer options.

- Email: international@guelphhumber.ca
- Book an appointment to speak with us online: guelphhumber.ca/visitus

We highly recommend that you have your international credentials evaluated prior to applying to determine how your credentials will be recognized in Canada. Credentials can be evaluated through World Education Services at wes.org. Fees may apply.

For all international admission details, visit guelphhumber.ca/futurestudents/international-apply.

How to Apply

1. Submit an application

Review the admission requirements for the degree program you are interested in.

guelphhumber.ca/futurestudents/international-apply

Submit your application through **one** of three online options:

- ▶ Ontario Universities' Application Centre (OUAC)
ouac.on.ca
- ▶ Our website
guelphhumber.ca/futurestudents/international-apply
- ▶ The Common Application
commonapp.org

Application and document evaluation fees apply.

2. Submit required documents

After we receive your application, Admission Services will email you a login and password for your WebAdvisor account. This account allows you to check the status of your application and monitor required documents. Please check your WebAdvisor account regularly.

Documents to submit for admission consideration:

a) Official transcripts (required)

Please have your School Counsellor or Administrator send your official interim/in-progress secondary school transcripts and any other required documents to international@guelphhumber.ca by the document deadline.

Your transcript must include all completed and in-progress or predicted grades at the senior level. You will need to arrange to have your final official transcript sent by email from your school or through a credential verification organization.

b) Proof of English proficiency (may be required)

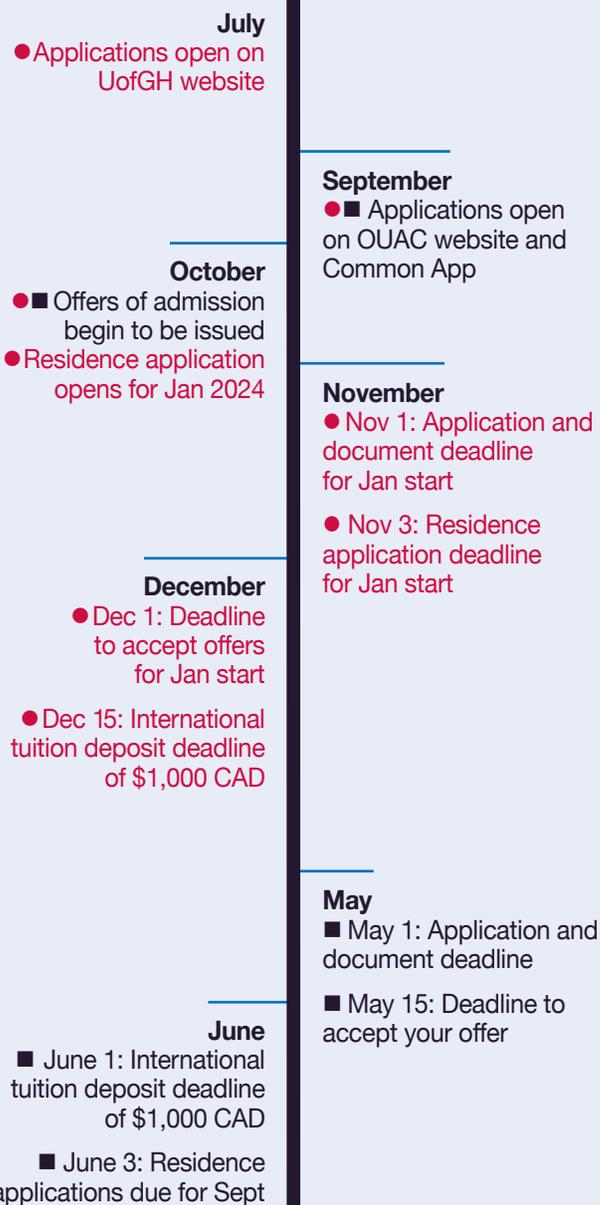

Please see details on page 14.

3. Track your application

Check your WebAdvisor account often for document requirements, application status, and other updates.

Application Timeline

- Business only, Jan 2024 applicants
- All programs, Sept 2024 applicants

Offers of Admission

Offers of admission are made on a rolling basis throughout the admission cycle. Your offer will include a scholarship estimate, visa information documents, and the conditions of your admission where applicable. You can proceed with your study and co-op permit applications using a conditional offer.

Financial Information

Scholarships

International Student Entrance Scholarship Up to \$20,500 CAD (over 4 years)

- First-year award ranges from **\$2,000 to \$8,500 CAD** based on final admission average
- Available to applicants who are entering postsecondary studies for the first time
- Automatically considered
- Grades converted to the Canadian equivalent to determine your final admission average, including subject requirements

Successful applicants will receive an estimate of their entrance scholarship included in their offer of admission. Your official scholarship will be based on your final admission average.

Renewal (Years 2, 3 & 4)

- Receive an award of **\$4,000 CAD** when your previous year's average (before year of renewal) is 80% or above and you have a full-time course load
- Eligible for renewal for three years after admission
- Automatically considered for each renewal year

Transfer Student Entrance Scholarship \$2,000–\$5,000 CAD

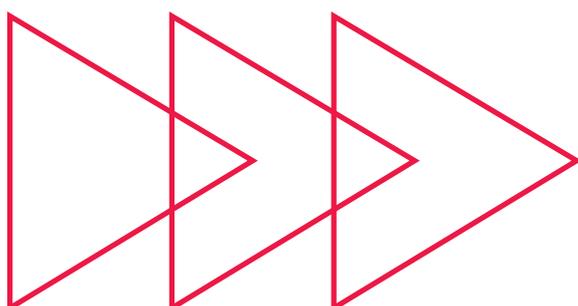

As a transfer applicant for a full-time program, you are automatically considered for the Transfer Student Entrance Scholarship.

In-class scholarships and bursaries

The University of Guelph-Humber offers in-class scholarships, awards and bursaries that international students are eligible for.

Check our website for full details on scholarships and awards.

Tuition and other costs

Item	Cost (Academic Year)
Tuition (full-time study)	
Business	\$36,581
Other programs	\$31,833
Student fees	\$1,082
International student health insurance	\$420
Residence (single-style room)	\$7,840
Dining plan (required for residence)	\$2,350 (Bronze) \$2,850 (Silver) \$3,400 (Gold) \$4,000 (Platinum)
Books	\$1,300

All monetary values are in Canadian dollars. All values listed are estimates only based on 2023-24 rates and therefore subject to change. Other fees/costs may apply.

Visit our website for more information on tuition and fees.

Funding your education

Work while you study

Interested in working while you are a student in Toronto?

The University of Guelph-Humber hires students for many roles. Campus jobs are flexible around your class schedule.

You may qualify to work off campus with another company or organization. If you qualify, your study permit will allow you to:

- Work up to 20 hours per week during regular school semesters, and
- Work full-time during scheduled breaks, such as the winter and summer holidays.

External funding

You are encouraged to explore additional funding opportunities available through your home country or secondary school. Look for merit-based scholarships, bursaries and educational loans.

Housing

On campus

Why you want to live here:

- As a student living for the first time in on-campus housing, you will have a single room
- Your room is a two-minute walk from the University
- Choose from themed floors, such as co-ed and gender specific
- Choose your dining plan (four sizes available)
- Dining plans accepted at the residence dining hall and food service outlets across campus
- Two shared kitchens can be used for cooking at home
- Spend your spare time in the recreational space, exercise room or at Residence Gym Nights in the Athletic Centre on campus
- Make friends with students from both the University of Guelph-Humber and Humber
- Laundry in the building
- Many social events
- Wi-Fi included in rooms

Apply

You can apply for an on-campus residence room once you have an offer of admission. International applicants are issued a “preferred status” for securing their room booking (for your first year in residence), however residence cannot be guaranteed.

Deadline to apply

Residence for January 2024: **Nov 3, 2023**

Residence for September 2024: **June 3, 2024**

For more information, visit guelphhumber.ca/futurestudents/living-commuting.

Off campus

If you are looking for a place to live off campus, check out places4students.com and search under Humber College – North.

“Living in residence helped me foster a sense of independence and a strong connection to GH. I made so many friends (including my future roommates!) and had the chance to get involved on campus right from first year.”

CASIAH C.

Psychology graduate

Sample of what a single room looks like.

Life on Campus

Societies

Societies are related to our seven academic programs and offer a range of activities outside of class with a focus on your field of interest. They can help you develop leadership skills, gain professional experience and network.

“I was fortunate to become the President of the Women in Business Society in my second year. My favourite part was meeting so many people – building relationships with other society executives, staff advisors and business professionals.”

BROOKLYN W.

Business graduate

Student government

Interested in the political life and advocating for your fellow students? Consider becoming active in student government, such as IGNITE or the University of Guelph Senate.

Clubs

Clubs are social, cultural or interest-based and can change from year to year. Clubs are the best way to meet people who share your passions. If you don't find what you're looking for you can start your own! We've had clubs for games, pies, dancing, grilled cheese, music, sustainability, various cultures and more.

Events and social activities

The International Centre hosts events and trips specifically for international students to help meet people and get to know Toronto and local culture. You can also participate in the many UofGH student events planned by Student Life, societies, clubs and programs.

Athletic Centre

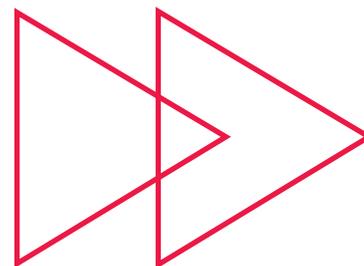

As a University of Guelph-Humber student, you have access to the Athletic Centre on campus, which offers:

- Aerobic and group fitness studios
- Community pool
- Gymnasiums
- Multi-purpose sports fields
- Weight and cardio room
- Recreational sports leagues
- Other off-campus activities

Varsity athletics

Compete against other universities and colleges in the province and throughout the country. You can try out for either the University of Guelph Gryphons (gryphons.ca) or the Humber Hawks (humberhawks.ca).

Student Support

Your UofGH support team

Throughout your four years, you have a team to rely on.

- Academic Advisors
- Career Services Coordinators
- Field Placement Coordinators
- Liaison Librarians
- Program Heads and Assistant Program Heads
- Student Financial Services
- Student Life Coordinators

You can also rely on current students who work alongside staff and are trained to help you. They are knowledgeable and offer you a student perspective.

Seek out:

- Career Support Peers
- Computer Support Assistants
- First Year Experience (FYE) Leaders
- Learning Support Peers
- Student Services Support Peers
- Student Transition and Resource Team (START) Leaders

International Centre

Turn to dedicated International Student Advisors at the International Centre for assistance on:

- Student life in Canada
- Immigration advising
- Work permit application
- Study permit extensions
- Transitioning to life in Canada
- Local trips and community events

First-year students' programs and events

We want you to make the most of your university experience by participating in programs designed for you as a first-year student to meet people and get acquainted with the University. Opportunities include:

► First Year Experience (FYE) Program

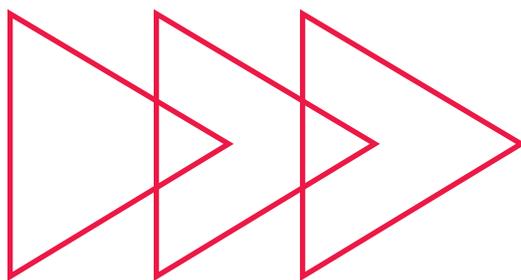

Mentoring and support from current students; connect and interact with other international students who are new to the University

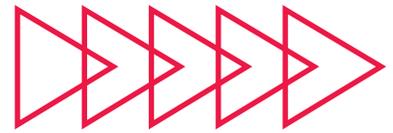

► Transitions to Success

Explore accessibility support services; learn about accessing academic accommodations and meet other students

► Orientation

Takes place during the last week of August; connect with other students; get set for classes and campus life

Careers start here

Launch your career in your first year of university with career staff to guide you and provide one-on-one assistance. We are here to help you:

- Build confidence
- Clarify your goals
- Develop professional skills
- Search for jobs and network
- Find your placement
- Apply to graduate school

Rely on us to help you get the most out of your placement. Participate in career exploration and skill-building workshops and events, such as program-specific career fairs, CliftonStrengths, alumni mentorship, and LinkedIn training sessions.

Your safety

Your safety is paramount. Canada is the sixth safest country in the world and Toronto is ranked sixth for safety as well.

On campus, our dedicated 24-hour security team is one part of our safety resources, which include a Campus Walk program. Enjoy peace of mind as you study, hang out with friends and live in residence.

Services for you

As a University of Guelph-Humber student, you are part of our close-knit university community, but also part of Humber's 20,000-student population on campus. Take advantage of both worlds! The support services and resources made available by Humber are yours, too.

For health issues, personal matters, academic assistance and other support, reach out to our campus services, including:

- Accessible Learning Services
- Accounting Centre
- Black Student Support and Engagement
- Campus Store
- Centre for Urban Ecology
- Dental services
- Indigenous Education & Engagement
- International Centre
- LGBTQ+ Resource Centre
- Library
- Math & Writing Centre
- Mental health resources
- Nurses and medical assistance
- Peer tutoring

“Career and Placement Services help students prepare for the professional world with resumé and cover letter support, mock interviews and suggestions to help set you apart from other competitive candidates. It makes a big difference when applying and/or interviewing for your next endeavour, whether it be academic or professional.”

ANTHONY M.

Kinesiology graduate
